Remodel & New Construction

Design Fees Outlined

CONSULTATION

(1 hour, in-person/ on-site)

\$300 FLAT FEE

After a complimentary exploratory call, if you want to move forward we will begin by conducting an in-person / on-site consultation to further discuss details of your project, collaborate on design ideas, explore layout and various design elements, and gather measurements and pictures. From there we will provide a detailed proposal and estimate of design fees for your project outlined by project phases.

This step is required for all Remodel & New Construction projects and will aid in the selection of appropriate monthly retainer packages.
