

# Intro to Podcasting Handout

## Smartphone Recording Apps:

- iPhone: Auphonic Recorder
  - <https://itunes.apple.com/us/app/auphonic-recorder/id1081792712>
- Android: Auphonic Edit
  - <https://play.google.com/store/apps/details?id=com.auphonic.auphonicrecorder>
- Another iPhone option: Hindenburg Field Recorder
  - <http://hindenburg.com/products/hindenburg-field-recorder>

## Sound & Music Resources:

- Free or Low Cost Music & Sound Effects for Video or Audio Projects
  - <http://list.ly/list/pjp>
- Free Music Archive
  - <http://freemusicarchive.org/>
- FreeSound
  - <http://www.freesound.org/>
- YouTube Audio Library
  - <https://www.youtube.com/audiolibrary/music>

## Publishing:

- Spreaker: <http://spreaker.com>
- Omny Studio: <http://omnystudio.com/podcasters>
- Simplecast: <http://simplecast.com>
- LibSyn: <http://libsyn.com>
- iTunes Podcasts Connect: <http://podcastsconnect.apple.com>

## Further Learning:

- Hindenburg Guides (<http://hindenburg.com/support/guides>)
  - Great tutorials on using Hindy's various functions.
- Transom.org (<http://transom.org>)
  - Tutorials, equipment reviews etc...
- How Sound (<http://transom.org/topics/howsound/>)
  - A great podcast about radio making
- Canadian Sound & Story Workshop (<http://soundstory.ca>)
  - Join the facebook group to connect with other podcasters and radio makers

- Recording Skype Calls (<http://soundstory.ca/recording-skype-calls-with-piezo/>)
  - My tutorial on recording skype calls using free or cheap tools.

#### **Other Links & Tools:**

- Auphonic (<http://auphonic.com>)
  - Automates some post production, including noise reduction and levels.
- Cast Feed Validator (<http://castfeedvalidator.com/>)
  - Another way to check your feed before submitting to iTunes.
- My Podcast Reviews (<https://mypodcastreviews.com>)
  - Monitor your iTunes and Stitcher reviews.
- podCast411's Directory of Podcast Directories (<http://podcast411.com/page2.html>)
  - All the places you can submit your podcast.
