

# DRAIN CLEARING

A unique range of drain clearing, cleaning, and unblocking tools, including the plumBOSS made Gully Scoops and Spring Rods, and the American made Kinetic Water Ram and Drain Surgeon.

## PLUMBOSS GULLY SCOOPS/RETRIEVERS

- A great invention with plumbers in mind.
- The safe and easy way to retrieve objects from inside pipes.
- Avoid injury from sharp objects and creatures when reaching into pipes.
- Works better than any other hook or hooking device.
- Grab with a positive grip – rocks, gravel, dirt, syringes, balls, spiders, etc.
- Scoop size indicates what size pipe the scoop will fully open and close in.

MANUAL AND BATTERY PUMP STICKS

### HAND-HELD DRAIN CLEANER TO SUIT CORDLESS DRILL

Easily unblock sink, shower, toilet, and laundry lines from 1¼ to 3 inch.

Flexicore wire rope centre cables are coiled tightly over a core of aircraft-type wire rope then heat-treated, giving it outstanding strength without sacrificing flexibility.

- Hand-held drain cleaner with tough body & rugged chuck.
- Designed for the toughest field abuse from the trade.
- Drop tested from 8 feet without damage.
- The patented chuck tightens firmly on the cable with just a quarter turn.
- ¼ inch Flexicore cable for a wide range of jobs.
- Operate as a hand tool, or a power tool by attaching your drill.

Customer Code	Code	Description
	WS-PRO-25-1-4	wasteSNAKE Pro ¼" x 25ft Cable

### CLOG-BUSTER DRAIN FLUSHERS

- Unclogs drains in seconds.
- Simply attach to hose, put it in the drain and turn on the water.
- Reusable.
- Eliminates the need for chemicals.

Customer Code	Code	Description
	303-127	Clog Buster Drain Flusher 1-2"
	303-135	Clog Buster Drain Flusher 1½-3"
	303-143	Clog Buster Drain Flusher 4-6"

### KINETIC WATER RAM KIT

The Kinetic Water Ram uses a burst of compressed air that drives a shock wave (kinetic energy) through water to break up the blockage. Great for when the blockage is on the far side of tight bends, since the shock wave travels through water around bends without losing force and is not affected by stacks or vents. Instant impact with no build-up of pressure in the plumbing system.

An optional toilet attachment GS-142010 sold separately screws to the front of the ram for a tighter bowl seal.

- Must have tool for commercial scale maintenance plumbers.
- Open clogged drains 1¼-4 inch with a shock action.
- Lightweight tool for quickly clearing clogged drains.
- It handles rust, grease, sediment, and scale in lines up to 4 inch.
- Self-contained pump and pressure gauge.

#### GS-115020 Kit Includes:

- 1 x 4 inch Tapered Cone
- 1 x Set of 5 Tapered Rubber Plugs
- 1 x Hose
- 1 x Carrying Case
