

SECTION 10 [●][●]

SELF RETRACTING STAINLESS STEEL STEP STOOLS

PART 1 – GENERAL

1.1 RELATED DOCUMENTS

- A. Drawings and general provisions of the Contract, including General and Supplementary Conditions and Division 01 Specification Sections, apply to this Section.

1.2 SUMMARY

- A. Furnish and install self-retracting stainless steel step stools as indicated on the drawings and specified.

1.3 ACTION SUBMITTALS

- A. Product Data: Submit the following information:
 - 1. Narrative descriptions, construction details and dimensions as drawings and illustrations. Include description of gas-powered piston operation.
 - 2. Anchoring and mounting requirements, including requirements for cutouts in other work and substrate preparation.
 - 3. Manufacturer's warranty.

1.4 WARRANTY PERIOD

- A. Manufacturer's standard five-year warranty.

PART 2 – PRODUCTS

2.1 SELF RETRACTING STAINLESS STEEL STEP STOOLS

- A. Provide Step 'n Wash LLC, model SNW-SS 975B. Product shall have side supports (legs) constructed from 14-gauge, type 304 stainless steel and laterally reinforced with stainless steel plate. Steps shall be constructed from 16-gauge type 304 stainless steel and reinforced with 16-gauge stainless steel welded brackets. The stool shall feature marine-grade non-slip rubber tread and ANSI-compliant graphics with text in English, Spanish, and French. The unit operation shall be floor-mounted with self-retracting up and down movement. A concealed gas cylinder shall provide controlled lowering and automatic retraction of the step. Load capacity of 800 lbs.

PART 3 – INSTALLATION

3.1 INSTALLATION

- A. Installation shall be as recommended by the manufacturer. Secure the stool to floor in front of the fixture utilizing stainless steel wedge anchors. Test the unit to ensure that it is secure and operates properly. Instruct the Owner's Representative in maintenance practices and provide care and maintenance guide from manufacturer.
