

## Let's Be Jolly card by Carissa Wiley

### Supplies:

Jolly Gingerbread Stamps & Dies  
Through The Woods Dies  
White, Sea Glass, Juniper and Poppy  
Cardstock  
White Glitter Paper  
Poppy, Pink Lemonade, Grapefruit and  
Tidepool ink  
Vellum  
Dew Drops  
Liquid Glue and Foam Tape

### Instructions:

1. Create an A2 card base from Sea Glass card stock by cutting paper to 5 ½ x 8 ½ inches and scoring at 4 ¼ inches. Set aside card base.
2. Cut a panel of white card stock to 3 ½ x 4 ¾ inches. Stamp white panel with candy cane images from Jolly Gingerbread stamp set in Poppy, Grapefruit, Pink Lemonade and Tidepool inks. Alternate left and right candy canes and angles of the candy canes for a patterned paper feel.
3. Stamp Let's Be Jolly sentiment in Poppy ink on to white card stock. Use scissors to fussy cut image.
4. Stamp left and right facing candy canes from Jolly Gingerbread stamp set on to white card stock and die cut using the coordinating Jolly Gingerbread die set.
5. Using the Through The Woods die set die cut
  - the large circle from vellum
  - the pine sprigs four times from Juniper card stock
  - the pine sprigs two times from white glitter card stock
  - the berry sprig from Juniper card stock
  - the stitched banner from Juniper card stock.
  - the berries from poppy card stock
6. Add berries to berry sprigs using liquid glue.
7. Layer stamped and fussy cut greeting, along with die cut images to create a focal area on the vellum circle using foam adhesive. Attach decorated vellum circle to stamped candy cane layer using foam adhesive.
8. Attach card front to card base using foam adhesive. Embellish with clear dew drops.

**Card Size: 5-½" x 4-¼"**

## You're So Sweet card by Carissa Wiley

### Supplies:

Jolly Gingerbread Stamps & Dies  
White, Lemongrass, Spiced Cider, Sea Glass,  
Nutmeg, Juniper and Tidepool Cardstock  
White Glitter Paper  
Spiced Cider, Nutmeg, Juniper and  
Pink Lemonade Ink  
Blending Brushes  
Pink Lemonade, Tidepool and  
Juniper Enamel Dots  
Dew Drops  
Texture Paste and Palette Knife  
Liquid Glue and Foam Tape

### Instructions:

1. Create an A2 card base from Sea Glass card stock by cutting paper to 5 ½ x 8 ½ inches and scoring at 4 ¼ inches. Set aside card base.
2. Using the Jolly Gingerbread die set die cut
  - House and chimney from Spiced Cider card stock
  - Door from Tidepool card stock
  - Door base from Nutmeg card stock
  - Chimney trim, front and back scallop trim, side scallop trim from white card stock
  - 2 of each Icing swirls from white glitter card stock
  - Trees from Lemongrass card stock
  - Snow line edge from a 4 ¼ x 5 ½ inch piece of white card stock, creating two snow line pieces
3. Stamp right and left facing candy canes in Pink Lemonade ink on white card stock three times each, and die cut using coordinating dies.
4. Stamp you're so sweet greeting on to Juniper card stock using Juniper ink and trim down to create a strip
5. Creating three candy cane hearts by adhering one right and one left facing candy cane together.
6. Use Spiced Cider ink and Nutmeg ink to blend on to house and chimney piece to create shading. Add Nutmeg ink to edges only for a darker shading around the edges.
7. Adhere door front to door base.
8. Adhere loopy icing swirl pieces to front and back scallop trims and side scallop trims using liquid glue
9. Adhere front and back scallop trims to roofline of house using foam adhesive.

## *You're So Sweet card continued...*

10. Adhere door to house base
11. Adhere side scallop trim to bottom of the house front using foam adhesive.
12. Adhere additional Icing swirl pieces to house base below scallop trims on roof line.
13. Adhere chimney trim to chimney base.
14. Adhere icing swirls to chimney trim.
15. Adhere chimney to house base.
16. Adhere candy cane hearts to front of house and chimney. You may have to trim portions of the bottoms of the candy canes to position them correctly.
17. Decorate house with Pink Lemonade, Tidepool and Juniper enamel dots.
18. Add texture paste to white areas on the edges of the house and allow to dry. Add texture paste to edges of die cut trees and allow to dry.
19. Adhere snowbanks to card front, staggering the hills to create varying snow drifts. Trim off excess. Add texture paste to tops of snow banks and allow to dry.
20. Add decorated house and trees to card front using foam adhesive.
21. Add sentiment strip to front of house.
22. Embellish sky area with clear droplets.

**Card Size: 5-½" x 4-¼"**
