

POP-UP PAR-TAY DIES INSTRUCTIONS

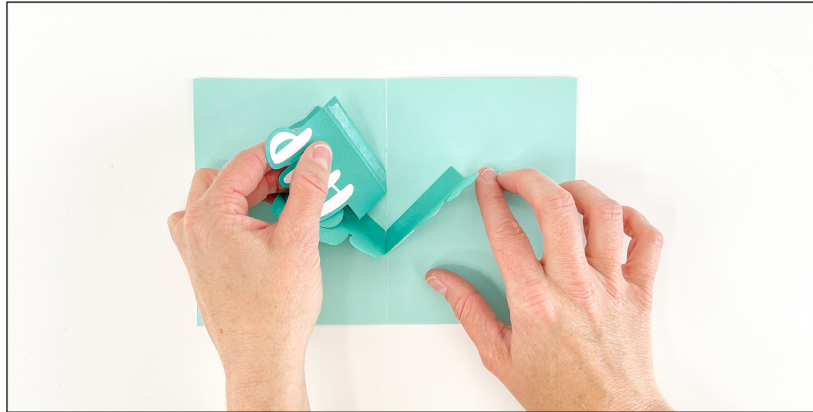

1. Die cut the 2 base pieces and all the letters. Adhere the letters to the base pieces.

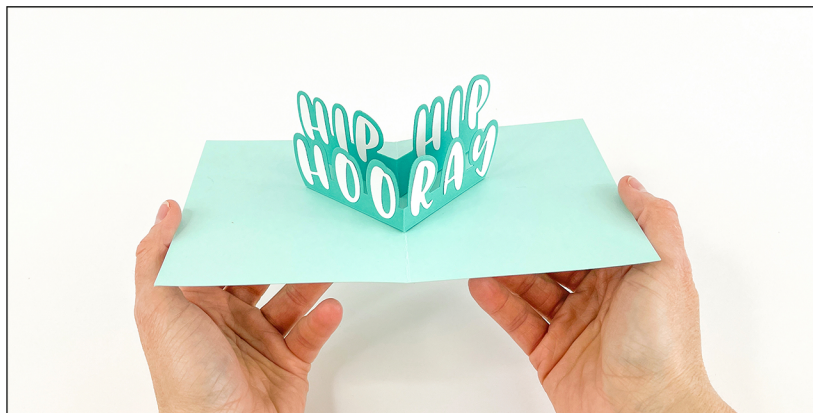

2. Fold tabs inside and add $\frac{1}{4}$ " double-sided tape along the tabs. Fold along the middle score line to create a v-shape.

3. Starting with the front piece, align it parallel to the score line of the card. Take off the tape backer and adhere to the left side of the card. Repeat the same step for the back piece spacing it about $\frac{1}{4}$ " from the front piece.

4. Adhere the right side of the base pieces down by aligning the side of the tab flush with the tab already adhered to the card base. Press down firmly to make sure pieces are adhered.

5. The pop-up feature of the card is assembled. Add stamping and embellishments to the front to complete the card.
