## ARE YOU FOLLOWING US?

Oscar the owl has been extremely naughty and likes to do giveaways on our Facebook page. Make sure you follow us to see what else he might give away.

## FIND OASIS IN STORE

Our retailer listing on the website has had a makeover. It's even easier to find a retailer near you. Even better, stores have full-sized testers on the shelf, so you can have a play before you decide.

# FRUITY TIPS

There are 2 super easy ways you can use Fruit Smoothie. Unfortunately, eating it isn't one of them (trust us, it doesn't taste as good as it sounds).

**THIS** ← ———— **OR** ———— → **THAT**

No time?  
Gently scrub for 1-2 minutes  
while in the shower

Apply, leave on as a mask for  
10-15 minutes, or longer if you  
want, then gently scrub off for 1-2  
minutes. Wash the remainder off.

## QUICK TIP

Don't forget to give your pout a light scrubbing when using Fruit Smoothie, wipe off and slather on a lip balm for super smooth lips!

## RESIDENTS WANTED

*If you are small and can fly then our Oasis Cottage has a spare apartment for you. Our ugly water tower needed something, so we decided to turn it into a bird hotel. This is what it looks like so far! Make sure you follow us on Facebook so you can see what else we do for the animals.*
