INTRODUCING OASIS BEAUTY BERRY TONIC: SPRITZ YOUR WAY TOWARDS BEAUTIFUL SKIN

In a bookshop over 17 years ago, Stephanie Evans found a book about making natural skincare. At the time, Stephanie had sensitive skin which her mother had told her that she would grow out of....she didn't and she was fed up! Stephanie tried some recipes from the book and was hooked, as her skin started to look great! Now after a decade of enduring research and planning, her skincare-making hobby has turned into a business success story – Oasis Beauty!

The journey towards beautiful skin (especially if it is sensitive) is similar to a well researched and planned out business! We simply can't expect our skin to remain in excellent condition, or the journey to be smooth if we skip steps in our skincare routine! Getting your skin on the right track is easy with **Oasis Beauty's Berry Tonic** - a must-have daily skincare essential for tired skin looking for a little bit of a pick-me-up!

Housed in a spritzer pump, **Oasis Beauty's Berry Tonic** is a gentle alcohol-free and seriously addictive facial tonic which works to rebalance the skin's pH level and stimulate its natural radiance with a combination of refreshing and revitalising fruity active natural ingredients. It assists to reduce pore size and get breakouts under control and leave skin soothed, hydrated, re-energised, protected and ready for whatever the day has to offer – looking great!

*"I absolutely adore my Berry Tonic – it makes my skin and senses instantly happy – cheers to a great spritz or two! **Stephanie Evans, Creator and Director of Oasis Beauty***

HANDY OASIS BEAUTY TIP: Oasis Beauty Berry Tonic also works as a great spot control treatment. Soak a cotton wool pad in the tonic and hold against the area for two-three minutes. Repeat daily or as required, to cool and repair.
