

O3 Pure Elite 50 KT

Fruit & Vegetable Washer System Recommended Wash Time.

10 MINUTES

O3 PURE® Elite 50 KT Fruit & Vegetable Washer

Is your family at risk from the invisible dangers on the food they consume? Chances are the produce sold in your local supermarket have been treated with pesticides and/or are susceptible to contaminants from the growing or distribution process.

The Elite 50 KT reduces your families health risk. Utilizing the proven technology of O3 (ozone) the "Elite 50 KT" creates thousands of tiny O3 bubbles which safely and effectively washes pesticides and contaminants from fruit, vegetables, seafood, poultry and other meats.
