

# **ByAnnie General Requirements list**

Bag making classes are a lot of fun, by joining one of our classes we teach you all the basic skills required for ByAnnie patterns.

- Sewing machine in good working order
- Fabric and other requirements as per your specific project
- Power cord, extension table and foot control
- Fabric appropriate to your project (any specific prep requirements should be completed before class)
- Polyester Thread to match both outside, lining and zipper
- Needles Jeans or Topstitch 80/12 or 90/14
- Walking foot, ¼" foot, zipper foot, vinyl foot
- Wonder Clips
- Stiletto/awl
- Small cutting board
- Fabric marking tools including frixion pen and chalk
- General sewing kit including scissors, rotary cutter and pins
- Bodkin for threading strapping through handles

All class participants are required to have their own pattern.

To make the best use of your class time specific preparation will be required before you come to class. Upon booking you will receive a link to a video to help with this process.

Please make sure you are aware of our cancellation policy.

Look forward to having you join us.
