- Automatic Power-off: Earphones will automatically power off when put back into the charging case to charge
- Earbuds Charging: Put the earbuds back into the charging case to charge them.

PRECAUTIONS

- Do not treat this product violently, and do not squeeze it with heavy objects, and keep it away from high temperature and highly humid environments.
- Keep away from WiFi routers and other high-frequency transmitting equipment, which will affect the signal reception of the earbuds, causing sound jams and disconnections.
- Please use this product within 10 meters and there should be no physical obstruction (such as a wall, etc.) between the Bluetooth device and the earbuds.
- In order to prevent charging failure due to battery hibernation, please try to keep the charging case above 20% of the power at all times.
