BLUETOOTH

When you turn the speaker on, it will be in Bluetooth mode by-default.

After you pair the device, it will play the music
Press ▶❙❙ once to Play/Pause, press ❙◀◀ and ▶▶❙ once to go to Prev and Next track.

TWS MODE

1. Turn on both the "Xbass - 60" speakers
2. Choose one of the speakers, press and hold the MODE button for 5-10 seconds, then a sound will indicate that the TWS function is turned on.
3. Wait for a few seconds and another sound will indicate that the speakers are connected through TWS successfully.

Note: TWS only works in Bluetooth mode.

AUX-IN

Use the audio cable to connect your device with the speaker, press MODE to switch to AUX Mode.

Note: In AUX mode, you can't use the Prev and Next buttons, but you can control from the device you connected.

USB/TF CARD

Insert a U-Disk or a Micro-TF card into the USB/TF slot. It will read all the mp3 files automatically and start playing.
Press ▶❙❙ to Play/Pause, press ❙◀◀ and ▶▶❙ to go to the Prev and Next songs.

CHARGING

Please use the original charging cable to charge the speaker
You will see a Red LED turned on when the speaker is charging.
