

How to Use the Finger Ruler

1. Print on a letter size paper without resizing the Finger Ruler.
2. Measure your finger ruler template to make sure it was printed correctly (it should be exactly 3 1/2 inches long).
3. Cut out the ruler and wrap it around your finger.
4. Use a pen to mark the spot where the two ends of the ruler overlap.
5. Try again to confirm you have marked the correct size.
