

Inspired by Noguchi's paper lanterns, Cuff Studio's Rope Wrap Pendants encourage creativity and cast a soft textural glow. Entirely rope wrapped by hand, no two are exactly the same. Select from our Ready to Order configurations to simplify the process of your own artful installation.

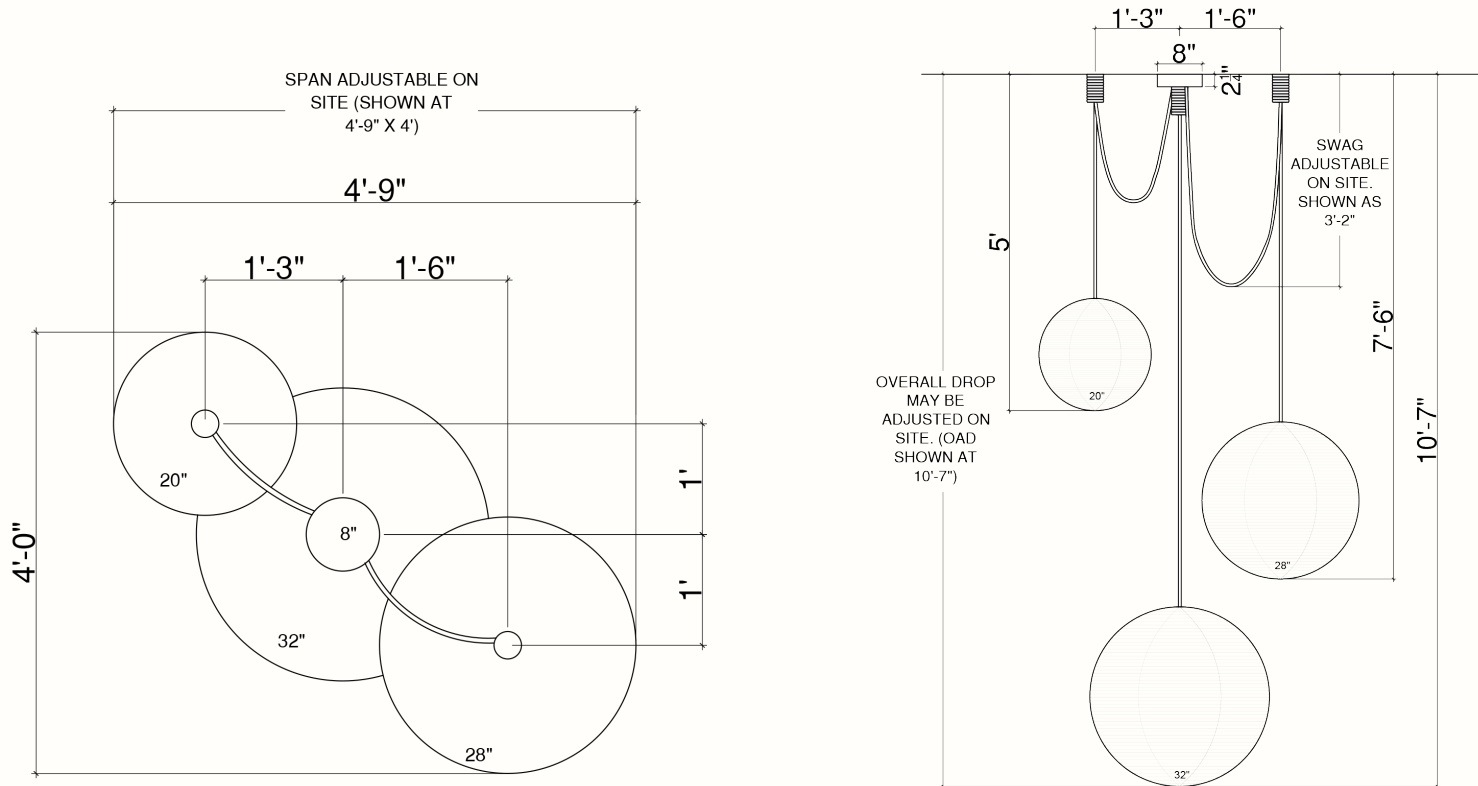

Ordering Simplified

- Determine your architectural, electrical and furniture layout for the space.
- Select one of our Ready to Order clusters.
- Drawings provided are a guideline. Overall spans and drops are adjustable onsite.
- Determine if your canopy will be installed on a flat or sloped ceiling.
- If a Ready to Order cluster does not suit your project, you can customize the pendant sizes in your cluster by choosing from our available pendant sizes:
12", 16", 20", 24", 28", 32", 36"
- If you have further questions or would like to request rope samples, please contact us at sales@cuffstudio.com.
- If you are interested in a custom commission, please contact design@cuffstudio.com. Pricing is quoted based on size and design.

Cascading
