considered for new, unused and unopened products at the discretion and under the terms of the authorized retailer. Refund details and terms differ for each authorized retailer and must be acquired from their customer support or website. No refund can be made if the tamper-proof seal is broken or the plastic film is damaged or removed. Devices purchased through an unauthorized retailer are non-refundable from ZEUS™.

**Counterfeiting**  
Our long-term commitment to combat unauthorized sales and counterfeiting is to ensure the quality of services from ZEUS™. ZEUS™ is devoted to ensuring that our clients get the brand's up-to-date technologies, attractive form, and top-tier assistance. ZEUS™ warns consumers to be prudent when purchasing devices from unauthorized suppliers as the quality, dependability, and safety of these products are unknown and, in some cases, can expose the consumer to hazards that do not occur with genuine ZEUS™ products. ZEUS™ has a devoted team that actively tracks and inspects unauthorized suppliers and counterfeiters to safeguard clients and business partners. Because many people do not comprehend the worldwide influence of counterfeiting or the cycle of harm they assist when buying counterfeit goods. By discovering counterfeiters and facilitating legal action against these entities, we believe we are doing our part.

While ZEUS™ is dedicated to aiding victims of counterfeiting, we cannot refund money used to purchase infringing products, as these products were not bought from ZEUS™, neither can we help in resolving disputes, including support through PayPal or credit card refunds. From ZEUS™, nor do we assist with the resolution of disputes, including assistance with PayPal or credit card refunds. Contact ZEUS™ support to learn more about authorized dealers, as any product purchased outside of our exclusive sales network runs the risk of being counterfeit and is not covered under our warranty.

### WARRANTY

**Exclusions and Limitations**  
The limited warranty only applies to devices manufactured by 2334271 Ontario limited (ZEUS™) that can be identified by the "ZEUS" trademark, trade name, or logo affixed to them and were purchased at an authorized retailer who is fulfilled by an authorized distributor.

This warranty does not apply to:  
 • Damage caused by abuse, misuse, accident, flood, fire, earthquake, or other external causes.  
 • Damage caused by the use of the product outside the intended function as described by ZEUS™.  
 • A part or product that has been altered to modify capability or functionality.  
 • Aesthetic damage, including but not restricted to dents, scratches, deformity, and parts broken through device usage.

Warranty is non-transferable and only applies to the original purchaser. If you have purchased through a 3rd party reseller such as eBay, Kijiji, Craigslist or any other unauthorized retailer than the warranty does not apply. ZEUS™ warranties only apply to devices purchased at any authorized retailer fulfilled by an authorized ZEUS™ distributor. For inquiries pertaining to authorized retailers, please contact us.

Any efforts to purposely dismantle, tamper or access the internal components of the device in any fashion will void the warranty.

Please note that the software pre-installed on the device and/or later iterations through updates or upgrade is licensed to you, not sold and for use as part of the product only.

**Return Policy**

### WARRANTY

**Details**  
The ZEUS Arc™ has a three-year (3-year) limited warranty and is guaranteed against defects in materials and workmanship. To verify the date of retail purchase by the original customer a proof of purchase is required from a sanctioned retailer. At its discretion and to the extent permitted by law, 2334271 Ontario limited (ZEUS™) will exchange the product with a product that is new, refurbished or is a functionally equivalent product, if the device develops any mechanical defects and a claim is filed within the warranty period.

The following conditions apply:  
 • The 1st warranty replacement is free of charge.  
 • For every following warranty replacement, starting from the 2nd warranty replacement, a fee of \$100 is required.  
 • The warranty period starts from the date of retail purchase and does not restart after a warranty claim has been issued.

The limited warranty does not apply to normal performance degradation of materials, parts vulnerable to wear and tear, the lithium-ion battery or any arising damages due to the users neglect to adhere to cleaning instructions. The battery is under warranty for a period of three (3) months from the date of retail purchase and is protected from any abnormal defects, which are not deemed as natural battery degradation. ZEUS™ shall not surmise any liability for damages resulting from non-adherence with the instruction manual.

All devices submitted for warranty become the property of ZEUS™. The customer covers the shipping costs for warranty support. If you have issues with your device, send an email to info@zeusarsenal.com and a customer service representative will contact you as early as possible to resolve the issue and find the best solution.

### UPDATING THE ARC

Get updates to keep your Arc™ current, choose different temperature levels or some other cool modifications!

**Step 1:** Visit [www.ZeusArsenal.com/update](http://www.ZeusArsenal.com/update) to download and install the latest version of ZEUS Update™ on your PC.

**Step 2:** Watch the Video Tutorial on [www.ZeusArsenal.com/update](http://www.ZeusArsenal.com/update) and follow the instructions to update your Arc™.

**Step 3:** Enjoy the new features of your updated device!

16

### USING THE ARC

Hold the power button for 2 seconds to turn the device on/off. A long vibration indicates that the device is turned on/off.

Heating will then begin which is indicated by a pulsing blue LED.

5

### TEMPERATURE CONTROL

The device is ready to use when the LED status interface turns green. Proceed to take slow and long draws.

Push the power button to cycle in between temperature levels.

6

### LED STATUS INTERFACE

LED	ACTION
Solid Red	Indicates battery level
Pulsing Red	Indicates charging
Blinking Red	Indicates low battery, shuts off shortly after
Solid Blue	Indicates change in temperature levels
Pulsing Blue	Indicates heating up
Solid Green	Indicates the device is ready to use
Pulsing White	Indicates cooling down
Blinking Yellow	Indicates a possible malfunction

15

Remove the mouthpiece, Heat Sink, screen and magnetic multi-tool and place in a mix of ZEUS Purify™ or ethyl alcohol for a maximum of 30 minutes.

14

Insert the Flow Sink Tool inside the bottom of the air path and push in order to remove the Flow Sink. Once cleaned, replace the Flow Sink parts through the top of the heating chamber.

The magnetic multi-tool can be used to stir and pack the botanical within the heating chamber.

**WARNING:** Do not scratch the chamber's walls with the tool or any other sharp objects.

The mouthpiece also serves as an extension for the magnetic multi-tool. Connect the end of the tool with the magnetic power button to extend it.

7

### CHARGING THE ARC

Remove the magnetic multi-tool and safely stash on top of the magnetic mouthpiece during charging.

Plug the provided micro USB cable into any standard USB adapter and connect to the charging port. When the ZEUS Arc™ has finished charging, all LED lights will be solid red.

8

### CLEANING THE ARC

Break a ZEUS Grime Stick™ to release the enclosed ethyl alcohol and clean the heating chamber with the opposite end.

Swipe clean with the ZEUS Grime Wipes™, allow chamber to dry completely before use.

**WARNING:** Do not pour alcohol onto the ZEUS Arc™ under any circumstances, doing so will void the warranty.

13

### ADDITIONAL FEATURES

Once your ZEUS Iceborn™ is prepared, attach the whip to the adapter. Enjoy the enhanced vapor quality with massive clouds and smooth cool draws through ice filtration.

12

The Iceborn Adapter is also compatible with most standard glassware, 14mm and 18mm diameters are both supported.

**WARNING:** Handle with care when using with glassware.

9

### ICEBORN ADAPTER (NOT INCLUDED)

The ZEUS Arc™ continues to cool down for 2.5 minutes and shuts off unless motion is detected.

10

The unit automatically shuts off after 10 minutes of continuous use.

To use less botanical, place the spacer at the bottom of the heating chamber.

Switch the mouthpiece with the Iceborn Adapter.

**NOTE:** The Iceborn Adapter is sold separately, get yours now at [www.ZeusArsenal.com](http://www.ZeusArsenal.com).
