And whatever comes our way  
Yeah Darlin' go make it happen  
Take the world in a love embrace  
Fire all of your guns at once  
And explode into space

I like smoke and lightning  
Heavy metal thunder  
Racin' with the wind  
And the feelin' that I'm under

**Born to be wild**

Like a true nature's child  
We were born, born to be wild

**10**

We can climb so high  
I never wanna die.

PATRIOT  
DENIM CONFORME

**I like to dream yes, yes,  
right between my sound  
machine.**

On a cloud of sound  
I drift in the night  
Any place it goes is right  
Goes far, flies near,  
to the stars away from here

13

**Well, you don't know  
what we can find  
Why don't you come with  
me little girl.**

"SUMMER"  
@PATRIOT  
THE MODERN DENIM JEANS WERE INVENTED BY THE TAILOR JACOB WHO ADDED COPPER TO THE DENIM TROUSERS TO MAKE THE POINTS MOST SUITABLE FOR SUCH USES. PARTICULARLY...

A vast, golden desert landscape with rolling sand dunes and distant mountains under a hazy sky. The scene is bathed in warm, golden light, suggesting a sunrise or sunset. The dunes in the foreground are textured with wind-blown sand, and the mountains in the background are silhouetted against the pale sky.

**Why don't you tell your  
dreams to me...**

**Fantasy will  
set you free**

Close your eyes girl  
Look inside girl

22

Let the sound take you away

**Last night I held Aladdin's  
lamp... And so I wished  
that I could stay**

Before the thing could answer me  
Well, someone came and took the lamp away  
I looked around, a lousy candle's  
all I found

Well, you don't know what we can find  
Why don't you come with me

**I don't think it's  
going to happen  
anymore**

You took my thoughts from me, now I want nothing more  
And did you think you could just take it all away

# Hell yeah, I go get drunk on Friday nights

Hell yeah, I'm dancing under neon lights  
Hell yeah, I'm smiling so that you can't tel  
But If you're ever wondering baby if I'm still  
Going through hell,
