1812430
Robur Ivory Solid

The contemporary flair of tubular shapes and smooth lines converge to form a visually striking pattern.

DIVYA
Living

Strong yet flexible, Robur draws its inspiration from the movement of water as it carves its way through nature. Starting first with the weaving of a single cord made from 100% handspun jute, Robur's resilient texture is balanced every so slightly by its commitment to order and flow.
