DETAILS

The CHAMP23DMFMS wet/dry vacuum comes ready for whatever is in front of it, thanks to its adjustable front-mount squeegee system and its powerful dual 1,000W vacuum motors. It also comes with a dry filter insert, 25 ft power cord, two-piece wand, and a 10 ft vac hose to use with its four-piece tool kit for anything else the job needs. Each kit comes with a floor squeegee tool, vac tool, crevice tool, and dust brush.
