

X-SCRUB[®] Rider 28

- » Easy to use, intuitive controls.
- » Built for limited maintenance.
- » Clean virtually any hard surface in those hard-to-reach places.

BENEFIT SUMMARY

- 1 Easy to understand dashboard controls water flow, vacuum and brushes.
- 2 “One-Touch” button activates brush and squeegee.
- 3 Powerful, traction drive motor, easily navigates in and out of tight spaces.
- 4 Magnetic hub design makes it easy to change out pads/brushes with no tools required.
- 5 Aluminium squeegee frame and stainless steel squeegee straps. Fits through most standard doors.
- 6  Debris filter catches larger material passing into the recovery tank.
- 7 Bright beacon light for added safety.

Outfit your X-Scrub[®] to virtually clean any hard surface with a variety of pads and brushes.

BENEFIT SUMMARY

- ➔ Ditch the manual cleaning methods that lack the precision and perfection of newer technologies.
- ➔ No more murky water spreads dirt over large areas, takes forever to dry.
- ➔ Helps cut down on worker fatigue.
- ➔ Easily and quickly change out brushes and pads with the magnetic hub.
- ➔ Clean virtually any hard surface in those hard-to-reach places.
