WHAT'S INSIDE

12-piece Carton of Wrapped Vanilla Caramels from the original Cream Caramels of Boxicanyon Co's inherited hand-written recipe. Creamy, smooth, and buttery - the way caramels are meant to be! Experience the melt-in-your-mouth magic of the Rohling family recipe.

2.5 o.z. Amanda's Amazing Candied Pecans the Twin Springs Pecan tribute to Amanda to keep her memory alive. These all-natural, not-too-sweet but oh-so-decadent pecans are a Nebraska favorite! It might be the Fairy Dust that will have you wanting more.

8 o.z. Jar Rafter 75 Chokecherry Jelly made from native Nebraska wild Chokecherries. Hand-picked in the Nebraska Sandhills at their peak flavor on the Rafter 75 Ranch and neighboring ranches. A perfect pairing for nut butter or the stand-out sweet for your charcuterie board.

3 o.z. Jar CBees Raw Honey is a blend of Clover and Wildflower honey from Nebraska. This jar is drawn straight from the hive. It is unpasteurized and unheated, giving all the benefits of raw honey. Drizzle over toast, cornbread, or naturally sweeten your favorite beverages.

16 o.z. Homestyle Cornbread Mix delivers a fluffy center and crisp golden crust from Big Mama's Kitchen, just as her grandmother Lillie would have baked. This cornbread is more than a side to chili, try it Big Mama style as a base for a freshly made slaw, and so much more.

2- 1.3 o.z. Natural Beef Sticks from Ogallala Natural Beef's Scottish Highlander herds, renowned for their naturally lean and well-marbled distinct flavor. Adding to the integrity of these beef sticks is the ranch's commitment to sustainable practices that nourish the soil of partnering organic farms.

THE SOWER WHAT'S INSIDE
