What is KUB Planet?

KUB Planet is a magnetic building set that boosts creativity and 3D learning. Designed to bring families together through an educational, fun, and screen-free play experience.

ES KUB Planet es un set de construcción magnético que impulsa la creatividad y el aprendizaje en 3D. Diseñado para unir a familias y ofrecer una experiencia de juego educativa, divertida y sin pantallas.

DE KUB Planet ist ein magnetisches Bauset, das Kreativität und 3D-Lernen fördert. Es wurde entwickelt, um Familien zusammenzubringen und ein lehrreiches, unterhaltsames und bildschirmfreies Spielerlebnis zu bieten.

FR KUB Planet est un jeu de construction magnétique qui stimule la créativité et l'apprentissage en 3D. Conçu pour rassembler les familles autour d'une expérience de jeu éducative, ludique et sans écrans.

PT KUB Planet é um conjunto de construção magnético que estimula a criatividade e o aprendizado em 3D. Projetado para unir famílias com uma experiência de brincadeira educativa, divertida e livre de telas.

Discover KUB Planet

At KUB Planet, we are proud to have earned the STEM certification, recognizing our toy's ability to develop critical thinking, creativity, and problem-solving skills in children. We have also been honored with ***The Best in STEM 2024-2025*** award, positioning KUB Planet as a top choice to inspire the next generation of explorers, inventors, and creators.

ES En KUB Planet, estamos orgullosos de haber obtenido la certificación STEM, que reconoce la capacidad de nuestro juego para desarrollar el pensamiento crítico, la creatividad y las habilidades de resolución de problemas en los niños. También hemos sido galardonados con el premio The Best in STEM 2024-2025, posicionando a KUB Planet como una de las mejores opciones para inspirar a la próxima generación de exploradores, inventores y creadores.

DE Bei KUB Planet sind wir stolz darauf, die STEM-Zertifizierung erhalten zu haben, die die Fähigkeit unseres Spiels anerkennt, kritisches Denken, Kreativität und Problemlösungsfähigkeiten bei Kindern zu fördern. Wir wurden auch mit dem Preis "The Best in STEM 2024-2025" ausgezeichnet, was KUB Planet zu einer der besten Optionen macht, um die nächste Generation von Entdeckern, Erfindern und Schöpfern zu inspirieren.

FR Chez KUB Planet, nous sommes fiers d'avoir obtenu la certification STEM, qui reconnaît la capacité de notre jeu à développer la pensée critique, la créativité et les compétences en résolution de problèmes chez les enfants. Nous avons également reçu le prix "The Best in STEM 2024-2025", positionnant KUB Planet comme l'une des meilleures options pour inspirer la prochaine génération d'explorateurs, d'inventeurs et de créateurs.

PT No KUB Planet, temos orgulho de ter obtido a certificação STEM, que reconhece a capacidade do nosso jogo de desenvolver o pensamento crítico, a criatividade e as habilidades de resolução de problemas nas crianças. Também fomos premiados com o prêmio "The Best in STEM 2024-2025", posicionando o KUB Planet como uma das melhores opções para inspirar a próxima geração de exploradores, inventores e criadores.

STEM Authenticated

The STEM.org Authenticated™ trustmark helps consumers quickly identify resources that meet verified STEM standards, promoting quality decisions.

ES El sello STEM.org Authenticated™ ayuda a los consumidores a identificar rápidamente recursos que cumplen con los estándares STEM verificados, favoreciendo decisiones de calidad.

DE Das STEM.org Authenticated™ Trustmark hilft den Verbrauchern, schnell Ressourcen zu identifizieren, die den geprüften STEM-Standards entsprechen, und fördert qualitativ hochwertige Entscheidungen.

FR Le label STEM.org Authenticated™ aide les consommateurs à identifier rapidement les ressources conformes aux normes STEM vérifiées, favorisant ainsi des décisions de qualité.

PT O selo STEM.org Authenticated™ ajuda os consumidores a identificar rapidamente recursos que atendem aos padrões STEM verificados, promovendo decisões de qualidade.

Awarded "Best in STEM"

The STEM.org Best™ trustmark certifies KUB Planet as one of the top choices in STEM, ensuring its compliance with high standards and making informed decisions easier.

ES El sello STEM.org Best™ certifica a KUB Planet como una de las mejores opciones en STEM, garantizando su cumplimiento con altos estándares y facilitando decisiones informadas.

DE Das STEM.org Best™ Trustmark zertifiziert KUB Planet als eine der besten Optionen in STEM, gewährleistet die Einhaltung hoher Standards und erleichtert informierte Entscheidungen.

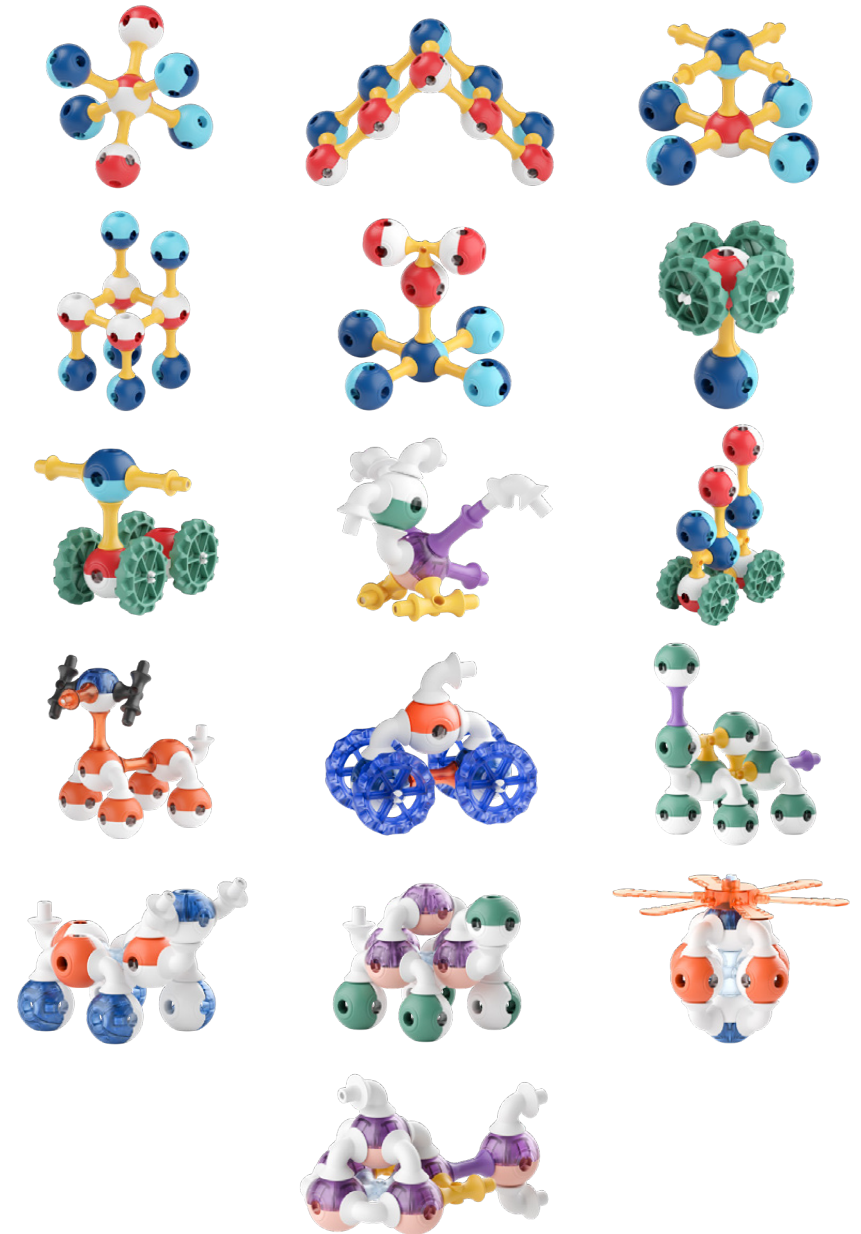

FR Le label STEM.org Best™ certifie KUB Planet comme l'une des meilleures options en STEM, garantissant son respect des normes élevées et facilitant la prise de décisions éclairées.

PT O selo STEM.org Best™ certifica o KUB Planet como uma das melhores opções em STEM, garantindo o cumprimento de altos padrões e facilitando a tomada de decisões informadas.
