

SCHUMACHER X BACKDROP

The brainchild of husband-wife duo Caleb and Natalie Ebel, **Backdrop** is the award-winning, game-changing paint brand that joined the Schumacher family in 2021. Since then, Backdrop has expanded its reach with beautifully crafted wallpapers based on artwork created by hand in their downtown Los Angeles studio. These inventive explorations of color, pattern and artistic techniques have a unique sensibility and coordinate beautifully with the company's Certified Climate Neutral, premium paints.
