MARK D. SIKES

We are thrilled to present our collaboration with Los Angeles-based designer Mark D. Sikes, whose masterful interiors embody breezy, beautiful all-American living and a heady mix of both traditional style and modern flair. In addition to his earlier popular ikats, florals, stripes, and paisleys, we've added new pieces that pack a one-two punch: sumptuous, magical wallpaper panels that can highlight the architecture of a room (or completely transform it!), plus a comprehensive array of cotton basics ranging from crisp checks to straight-up stripes, all in a soft palette. Timeless and elegant, these instant classics are here to stay.
