TRINA TURK

Our friendship with **Trina Turk** dates back to 2011, when we first collaborated with the California-based designer known for her graphic, technicolor fashions. Many fabulous collections later, we are thrilled about **Trina's latest group of indoor/outdoor textiles**, which derive their sunny hues and mod patterns from the Golden State's cultural crossroads, natural beauty, midcentury architecture and carefree coastal lifestyle.

Photography by Dominique Vorillon.
