CROP	VARIETY	ORGANIC	UNIT UPC	SEEDCOUNT	DESCRIPTION
Cover Crops					
COVER	OATS VNS	Y	850057850567	14,660	The perfect cover crop for early spring. Oats feed and protect the soil, suppress weeds, and are easy to terminate.
COVER	RYE VNS	Y	850057850574	17,200	An extremely cold hardy cover crop for protecting soil over the winter. Rye is also extremely weed competitive.
Flowers					
AMARANTH	LOVE LIES BLEEDING	N	850057850628	100	Cascades of mauve blooms add a note of romance and drama to any garden space or bouquet.
MARIGOLD	SHADES OF GOLD MARIGOLD MIX	Y	850057850260	100	Prolific yellow, gold, and orange blooms on large and vigorous plants. Great flower to add into empty space in the garden.
MATRICARIA	MAGIC SINGLE MATRICARIA	Y	850057850642	100	AKA feverfew. Pollinators love it, and long stems are perfect for bouquets. Delicate white and yellow blooms.
MEXICAN TORCH	MEXICAN TORCH RED SUNFLOWER	Y	850057850086	50	Large, fuzzy plants with multitudes of bright red blooms.
NIGELLA	MISS JEKYL WHITE LOVE-IN-A-MIST	Y	850057850611	50	Feathery white flowers mature into distinctive seed pods that are great for dried arrangements.
POPPY	PINK + PURPLE DOUBLE POPPY	N	850057850635	100	Pastel shades of pink and purple double bloom poppies. One of the first flowers to bloom.
SNAPDRAGON	ORANGE WONDER SNAPDRAGON	Y	850057850277	100	Cheerful, peachy-orange snap dragon variety with multiple long stems. Great for cut flowers. Cold-hardy.
SNAPDRAGON	TETRA SNAPDRAGON MIX	Y	850057850284	100	Multicolor mix of snapdragon flowers. Shorter plants are great for containers. Quick to bloom.
STRAWFLOWER	ANTIQUÉ WHITE STRAWFLOWER	Y	850057850291	100	Prolific, ethereal white blooms on sturdy stems, great for fresh cut or dried bouquets.
STRAWFLOWER	SULTAN MIX STRAWFLOWER	Y	850057850604	100	Jewel toned strawflower mix that will add texture and color to any bouquet or garden space.
SUNFLOWER	DRIFTLESS DAWN SUNFLOWER	Y	850057850000	35	Productive, 4' plant with gorgeous 4-6" blooms on long stems.
ZINNIA	JIM BAGGETT'S CHOICE ZINNIA MIX	Y	850057850659	50	A range of bloom types and colors on both single and double flowers. Red, orange, pink, yellow, salmon, magenta.
ZINNIA	MISSISSIPPI BLEND ZINNIA	Y	850057850093	50	Cheerful mix of bright zinnia colors on sturdy stems. Prolific producer.
Greens					
ARUGULA	ASTRO	Y	850057850109	400	Quick growing, peppery salad green great for early season plantings.

CHARD	RAINBOW CHARD	Y	850057850307	50	Brightly color stems topped with large green leaves.
KALE	WILLEM'S KALE	Y	850057850017	400	Broadleaf kale with great flavor and heat tolerance.
LETTUCE - GREEN LEAF	MUIR	Y	850057850314	100	Slow to bolt light green lettuce head. Heat resistant.
LETTUCE - MINI GEM	IRENE GREEN GEM	Y	850057850116	150	A delectable, early green mini gem lettuce. Ribs have the crunchiness of romaine, while leaves have the tenderness of butterleaf.
LETTUCE - ROMAINE	JADEITE	Y	850057850321	150	Tasty, mini romaine that is great for small spaces. Stays sweet and tender throughout summer.
MUSTARD	DRAGON'S TONGUE AKA HO-MI-ZI	Y	850057850697	50	Spicy red mustard perfect for salads when young and braising or sautés when older.
PAC CHOI	SHANGHAI GREEN	Y	850057850246	50	Quick to grow pac choi, great addition to stir fries or to salads for a nice bit of crunch.
Herbs					
BASIL	PROSPERA	Y	850057850178	35	Classic sweet basil flavor, well-suited for Midwest summers.
DILL	GREENSLEEVES	Y	850057850024	150	Fragrant and flavorful dill variety with a long harvest window.
TULSI	TULSI HOLY BASIL	N	850057850338	100	Aromatic basil variety that produces bushy, low-growing shrubs. Long spires of flowers attract pollinators.
Melons					
WATERMELON	SUGAR BABY	Y	850057850734	15	Legendary heirloom mini watermelon with 8# fruits. Dark green exterior when ripe with red flesh.
Native Prairie					
NATIVE PRAIRIE	EARLY SUNFLOWER	Y	850057850345	50	An easy-to-establish perennial sunflower native to the Midwest. Pollinators love the cheerful yellow blooms all season.
NATIVE PRAIRIE	PURPLE CONEFLOWER ECHINACEA	Y	850057850352	50	Stunning pinkish-purple petals that pollinators love. A prairie favorite.
Nightshades					
CAPE GOOSEBERRY	DULCE DE LA TIERRA	Y	850057850543	25	Golden yellow berries in a husk. Flavors of coconut & pineapple. A treat for the patient gardener.
EGGPLANT	DIAMOND	Y	850057850598	25	Deep purple, teardrop shaped eggplants held on sturdy plants that mature early. Superb flavor.
GROUND CHERRY	NEW HANOVER	N	850057850741	25	Prolific producer of yellow berries with a unique flavor reminiscent of pineapple. Good storage life.
PEPPER - FRYING	RESILIENT SHISHITO	Y	850057850383	25	Sturdy plants yield an abundance of green peppers that aren't hot -- great for frying.
PEPPER - HOT	ANGELO'S ARGENTINIAN	Y	850057850390	25	Sweet and fruity flavored pepper that ripens early in the season.
PEPPER - HOT	HOT PORTUGAL	N	850057850673	25	Ruby red peppers with just the right amount of heat. Great for hot sauce or adding some spice to a meal.
PEPPER - HOT	HUNGARIAN HOT WAX	Y	850057850154	25	Early yields of pale yellow peppers with medium spice. Ripen to vibrant red.
PEPPER - HOT	LEMON DROP	Y	850057850680	25	Cheerful hot pepper that ripens to a vibrant yellow with a touch of complex citrus flavor.
PEPPER - HOT	TRAVELER JALAPEÑO	N	850057850666	25	Medium jalapenos on tall plants. Bountiful producer of hot fruits to meet all your jalapeno needs.
PEPPER - SWEET BELL	ACE F1	N	850057850406	15	Medium-large bell peppers that start maturing early and continue through the summer.
PEPPER - SWEET BELL	WISCONSIN LAKES	Y	850057850048	25	Delicious, sweet and early maturing bell pepper perfect for Midwest growers.
PEPPER - SWEET ROASTING	BRIDGE TO PARIS	Y	850057850123	25	Good yielding sweet Italian frying pepper. Great for snacking.

TOMATO - CHERRY	BE MY BABY	Y	850057850031	15	Abundant, bright red cherry tomatoes are crack resistant and ripen early.
TOMATO - CHERRY	BLACK CHERRY IMPROVED	Y	850057850130	25	Bountiful fruit set with relatively large, dark colored cherry tomatoes.
TOMATO - CHERRY	TROPICAL SUNSET	Y	850057850550	25	Peachy orange with streaks of red make this cherry tomato a feast for the eyes as well as the tastebuds.
TOMATO - SLICER	AZOYCHKA	Y	850057850161	25	Impressive flavor, productivity, and earliness make this indeterminate variety great for both gardens and farms.
TOMATO - SLICER	BRANDYWINE OFF-THE-VINE	Y	850057850710	15	Ruby red slicer. Excellent flavor. Great for Midwest growers. More productive and heat tolerant than other Brandywine varieties.
TOMATO - SLICER	GOLD MEDAL	Y	850057850369	15	Bicolored yellow streaked with red slicing tomato with low acidity and a stunning look.
TOMATO - SLICER	GREEN COPIA	Y	850057850727	25	Green and pink striped fruit on high yielding, vigorous plants.
TOMATO - SLICER	SANTA ROSSA	Y	850057850376	15	Productive pink slicer with great flavor and concentrated fruit set. Driftless Seed Supply original.
TOMATO - SPECIALTY	PISANELLO O'PISA	Y	850057850703	25	Flavorful, early producer with a unique shape. Traditionally used for bruschetta in Italy.
TOMATILLO	TOMATILLO VERDE	Y	850057850147	25	Early ripening green tomatillo. High yields with a lovely tangy flavor great for salsa verde.
Roots					
BEET - RED	RED ACE F1	Y	850057850185	75	Reliable round, red beet with a sweetness that makes it stand out. Exceptional choice for spring plantings.
CARROT - BUNCHING	MOKUM	N	850057850208	100	The perfect super sweet carrot for fresh eating.
CARROT - STORAGE	BOLERO	N	850057850413	100	Sizable orange carrot with exceptional flavor and storage qualities. The choice carrot for fall plantings.
ONION - BUNCHING	EVERGREEN HARDY	N	850057850192	100	The classic bunching onion with white shanks, sharp flavor, and crunchy texture. Hardy through winter!
ONION - STORAGE	ROSSA DI MILANO	Y	850057850420	75	Red storage onion with exceptional storage qualities and fantastic sweet flavor.
RADISH	EASTER EGG	Y	850057850437	100	Red, white, purple and pink radish mix. Great zippy flavor. Best in spring and fall.
RADISH	SORA	Y	850057850055	75	Classic red radish with uniform bulbs and great heat tolerance.
Squash					
PUMPKIN - PIE	WINTER LUXURY	Y	850057850222	20	Superb pumpkin with attractive netting, know for its silky flesh that makes an excellent pumpkin pie.
SUMMER SQUASH - ZUCCHINI	CONSTATA ROMANESCO	Y	850057850444	15	Pale green and lightly ribbed Italian heirloom with fantastic flavor.
SUMMER SQUASH - ZUCCHINI	DARK STAR	Y	850057850062	20	Dark green zucchini with a bush habit and open canopy make it easy to harvest all season long.
WINTER SQUASH - ACORN	TUFFY	N	850057850529	15	Dark green acorn with sweet flesh wonderful for roasting in the oven.
WINTER SQUASH - BUTTERNUT	BRÛLÉE	N	850057850215	15	High yielding, deliciously flavored medium-sized butternut squash well adapted for Northern growers.
WINTER SQUASH - BUTTERNUT	HONEY NUT	Y	850057850451	15	Uniquely sweet and malty 'dessert' squash, better than pumpkin pie. Perfectly sized for two servings.
WINTER SQUASH - BUTTERNUT	WALTHAM	Y	850057850536	20	Classic, large-sized butternut. Stores well into winter, getting sweeter after the first few months.

WINTER SQUASH - DELICATA	HONEYBOAT	Y	850057850468	20	Early delicata with a rich, sweet and nutty flavor. Can be roasted without peeling.
WINTER SQUASH - SPECIALTY	THELMA SANDERS	Y	850057850475	20	Incredibly sweet, caramel colored acorn squash. High yielding and well adapted for the Midwest.
Vegetables					
BEANS - SNAP	PROVIDER GREEN	Y	850057850482	50	Prolific green beans with great flavor and crunch.
BROCCOLI - HEADING	EASTERN CROWN F1	N	850057850239	20	Heading broccoli that remains crunchy and without bitterness in the heat of Midwest summer.
BROCCOLI - SPROUTING	PURPLE PEACOCK	Y	850057850499	30	Stunning purple plants for loose broccoli florets packed with antioxidants.
CUCUMBER - SLICER	GREEN FINGER	Y	850057850079	15	Abundant producer with tender, green skin, small seed cavity and sweet, less bitter taste.
CUCUMBER - SLICER	POINSETT 76	N	850057850253	20	Dark green slicer cucumber is resistant to many Midwest ailments. One of the best classic slicing heirlooms.
CUCUMBER - SLICER	SHINTOKIWA	Y	850057850581	20	A productive slicer with 9-12" fruits. Thinner skin and delicious flavor - great for summer snacking!
