Step 1

Get ready to rumble! Extract the banner stand from its carry bag like you're pulling a rabbit out of a hat.

Step 2

Attach the center pole to the stand securely.

Step 3

Insert the center pole into the base, ensuring it's fully inserted.

Step 4

Use both hands to lift the banner evenly from inside the stand.

Step 5

Align the top of the center pole with the insert stick.

Step 6

Secure the top of the banner to the top pole. Congratulations, you've just graduated from Banner Assembly University with flying colors! Your pull-up banner is now ready to steal the show.
