### **Cleaning**

Regularly clean your Corflute A-Frame sign to remove dirt, dust, and grime. Use a mild detergent and water solution for cleaning. Gently wipe with a soft cloth or sponge to avoid scratching the print.

### **UV Exposure**

Minimize prolonged exposure to direct sunlight, as UV rays can cause fading of the graphics and reduce the sign's visibility.

### **Indoor Storage**

When not in use, store your Corflute A-Frame indoors or in a cool, dry place to protect it from the elements.

### **Replacement Inserts**

Corflute A-Frame signs often have interchangeable inserts. Consider replacing the inserts when they become worn or outdated instead of the entire A-Frame.

### **Care during Transportation**

If you need to transport the A-Frame, handle it with care to avoid damage. Store it securely during transit to prevent scratches and dents.

### **Outdoor Use Precautions**

If using your A-Frame sign outdoors, ensure it is properly secured to prevent it from blowing over in the wind or being damaged by adverse weather conditions.

### **Avoid Harsh Chemicals**

Do not use abrasive or corrosive chemicals, as they can damage the sign's finish or graphics.

### **Inspection**

Routinely inspect the sign for any signs of wear, such as scratches, cracks, or fading graphics. Address any issues promptly.

### **Graphic Protection**

Protect the graphics on your A-Frame sign by keeping it away from sharp objects or rough surfaces that could scratch or damage the print.

### **Secure Closure**

Ensure the A-Frame's locking or closing mechanism is functioning properly to keep the sign securely in place.

### **Recycling**

If your Corflute A-Frame signs are no longer needed, dispose of them responsibly, following local recycling or disposal guidelines.

By following these care guidelines, you can ensure that your Corflute A-Frame sign remains in good condition, effectively conveys your message, and continues to serve its purpose. Regular maintenance and protective measures will extend the life of your A-Frame sign and maintain its professional appearance.
