

# MCBRIDE SISTERS WINE COMPANY

*Amy Butler*

HEAD WINEMAKER

By 2018, the McBride Sisters had grown their brand to the point where they needed a dedicated winemaker based on the Central Coast and met Amy Butler through a trusted advisor and fellow Central Coast viticulturist. After starting her career in Napa, Amy had racked up a 16-year history of contract and consulting winemaking in and around Paso Robles and was instantly a perfect match for the McBride Sisters' philosophy and

company culture. Amy's UC Davis enology degree, her broad experience building and growing boutique wine brands, and her "liquid resumé" made her a strong candidate for the job. After two and a half years as a consultant, the Sisters finally convinced Amy to join the company full-time. While spearheading the winemaking efforts of a growth leader in all wine categories, Amy brings her small-production focus on quality and authenticity to all the wines in the McBride Sisters Wine Company portfolio.
