

Modern Lantern®

CUSTOM CORDLESS LAMP DEVELOPMENT WORKSHEET

WE CAN DESIGN, DEVELOP, AND DELIVER!

For those medium to large scale projects where you or your client requires something special, we can work on this together. From orders as small as 20 pieces with our Made in the USA ceramics all the way to very large scale commercial applications (via FOB China), let's get together to solve those lighting dilemmas everywhere!

LET'S GET STARTED! FILL US IN ON THE PROJECT AND EMAIL BACK TO: STEPHEN@MODERNLANTERN.COM

- Purchasing contact email
- Designer email
- Quantity
- Budget per unit
- Delivery date expected
- Shipping destination (within the USA?)
- Where specifically is product being used
 - Does it need to be wet or damp rated
- List any lighting specifications required
- Describe the functional needs of cordless lighting fixture
- Approx. size of fixture
- Approx. output of light expected
- Do you require our in-house design? or have your own we can work with?
- Require sample/prototype? If so, list details
- Material, finish, detail, description (can include sketch or drawing)

GENERAL TERMS: We require 50% deposit upon approved design and final pricing/contract. Balance due prior to shipping. Client's sign off is required for design approval, then once deposit is received, approval again on final sample prior to starting production. Lead time varies from 60-120 days (once sample is approved) dependent on quantities, materials, capacity, country of origin, etc. Absolutely NO refunds on booked production once sample is signed off on.

Any questions • Feel free to contact us at: (682) 224-5351 or Email: stephen@modernlantern.com
