PROFESSIONAL OEM MANUFACTURING

---

# Your trusted manufacturing partner

---

“We specialize in OEM & ODM manufacturing. We focus on woven fabrics and we are developing our own woven fabrics.”

Ruicheng Textile

# Information

## MOQ

The minimum order quantity is 100 pieces per item (in case the fabric is in stock).

The minimum order quantity of custom or printed fabric starts at 500 meters.

## Sample lead time

The sample lead time takes 3 to 5 days.

## Sampling services

We're happy to provide fabric and material samples to ensure that you have the opportunity to see and feel the quality of our products firsthand.

Please let us know your specific requirements, and we'll gladly arrange to send samples your way. We're committed to helping you make informed choices and ensuring your satisfaction with our products.

## Sample types

We provide prototype samples, sales man samples, pre-production samples and shipment samples.

## Sourcing services

We provide fabric sourcing services where we will source fabrics for you. This will save you time and effort. Let us assist you in producing your entire collection by utilizing our comprehensive fabric sourcing services.

## Production capacity

We currently employ over 250 production line craftsmen, divided over 10 production lines.

We have a capacity of 200,000 pieces per month and 2,400,000 pieces per year.

## Lead time

It will take 1,5 to 2 months for the entire process, from sampling to packing the goods (depending on the quantity), excluding delivery.

## Production time

If a custom specified fabric is used, the production time averages between 25 - 40 days.

If a fabric from our stock is used, the production time averages between 7 - 14 days.

## Shipment

We are located near a commercial airport and international seaport. We can send your finalized goods per ship, train and air.

## Trading & Payment terms

Trading Terms:

We accept (as defined in Incoterms): FOB, CFR, CIF or a forwarder.

Payment terms:

We accept: T/T and L/C.

# ABOUT US

We employ our own in-house experts in prints, designs and collections, fabric development and pattern makers. We employ over 300 skilled seamstresses / craftsmen with each individual having, on average, 10 years of experience.

We specialize in Western European and US women's fashion (styles, colors, fit, prints). We have developed our own durable fabrics, color dyeing and production techniques.

We are renowned firstly for our polyamide production. We call this 'Travel Quality'. It is a breathable, wrinkle free, iron free, durable fabric. Perfect for travelling, hence the name 'Travel Quality'.

- PA 13: Ethical Business Behaviour

**77%**

Rating of score A.

**15%**

**Rating of score D:**

- PA 1: Social Management System
- PA 6: Decent Working Hours

**8%**

**Rating of score B:**

- PA 5: Fair Remuneration

A amfori BSCI, short for amfori Business Social Compliance Initiative, provides a recognised methodology for identifying and remediating risks in global supply chains. The report focuses on 13 Social Performance Areas. Each area can be scored from A (being the best score) to E (being the worst score).

# History

2009

## Beginning

Our foundation was created. Fabrics were developed and skilled craftsmen are employed.

2017

## Professionalizing

We moved to a new building with a new showroom. We could increase production capacity and had more office space for new in-house specialized staff.

2024

## Sustainable growth

A significant increase in production capacity and becoming more (environmentally & socially) sustainable for the future.

## OUR COMMITMENT

### Sustainability

Our dedication to using sustainable materials isn't just a promise; it's a commitment to a better future. Our journey begins with a profound commitment to sustainability.

### Attention to detail

We take pride in our meticulous attention to detail, from finding the perfect fabric to creating intricate patterns and producing impeccable clothing samples. Our commitment to excellence is unwavering, and it reflects in every garment we create.

### Innovation

We strive for innovation and modernization. Our dedication reflects in the investment we make in the latest technology.
