CELEBRATING  
**75**  
 YEARS

## Inspirational Office, Dining & Educational Furniture

Located in the heart of Barnsley, Yorkshire, our 80,000 square foot manufacturing facility employs over 100 full-time skilled personnel. This enables us to respond quickly and efficiently to customer requirements throughout the UK and Internationally.

We are proud to be a British manufacturer supplying to schools, colleges, universities, purchasing supply catalogue customers, office suppliers, construction companies and local authorities.

Metalliform is part of the Metalliform Group which consists of Arena Stadia Seating and Fisher Plastics. To find out more information on these companies, please see pages 8 and 9.

If you are looking for an exceptional furniture specialist that can provide you with fantastic products alongside the highest level of customer service, then please contact us for more information:

All specifications are correct at time of going to press. Metalliform reserves the right to change specifications and product ranges without prior notice. Whilst we try to show our products as accurately as possible, the photography and printing processes may affect the colours shown in this brochure. All images are shown for illustration purposes only, colours may vary slightly. For full terms and conditions please visit [www.metalliform.co.uk](http://www.metalliform.co.uk)

# How To Order

To ensure you choose all the required options when placing an order, we have shown below examples of the typical options you may need to select.

**Chair ordering examples** | Seat height | B Shell colour | C Fabric colour (optional extra) | D Frame colour

**Table ordering examples** | Table height | B Laminate colour | C Edge style | D Frame colour

## Standing & Working Heights

To help you purchase furniture that complies with the British and European Standards (1729), the following height guide indicates which fixed seat heights and table heights are suitable for the correct age and size. To ensure you purchase the most accurate height furniture correct in compliance with the standards, we recommend that you measure the stature and popliteal height. You can then match those measurements using the guide below.

SIZE MARK	AGE RANGE	POPLITEAL HEIGHT RANGE	STATURE RANGE	STANDING TABLE HEIGHT	TABLE HEIGHT	CHAIR HEIGHT
1	NURSERY	3-4 years	250 - 280mm	930 - 1150mm	590mm	260mm
2	PRIMARY	4-6 years	280 - 315mm	1080 - 1210mm	710mm	310mm
3	PRIMARY	6-8 years	315 - 355mm	1190 - 1420mm	760mm	350mm
4	PRIMARY	8-11 years	355 - 405mm	1330 - 1590mm	900mm	380mm
5	SECONDARY	11-14 years	405 - 435mm	1460 - 1765mm	1000mm	430mm
6	SECONDARY/ADULT	14 +	435 - 485mm	1590 - 1880mm	1000mm	460mm

# Standing & Working Heights

**Popliteal Height** Popliteal height defines the correct seat height. The measurement is taken from the floor to the back of the knee when seated, with thighs horizontal and lower leg vertical with feet flat to the floor.

## Stature

Stature is from floor to the top of the head.

## Sitting Work Height

Sitting work height defines the correct table height. The measurement is determined by sitting elbow height, which is the distance from the floor to the underside of the elbow whilst sitting with the upper arm vertical and the lower arm horizontal.

## Standing Work Height

Standing work height defines the correct standing table height. The measurement is determined by standing elbow height, which is the distance from the floor to the underside of the elbow of a standing person with the upper arm vertical and lower arm horizontal.

# Fisher Plastics

Fisher Plastics is an established and highly reputable company and one of the UK's leading Plastic Injection Moulding manufacturers.

Specialising in Plastic Injection Moulding, Design Engineering and Tool Making Services.

With a passionate team of highly experienced in-house engineers, toolmakers and injection moulding specialists, Fisher Plastics can transform

PLASBRIC RANGE

your initial idea from concept stage all the way through to a finished product.

Consistent quality applied by experienced precision engineering skills ensure the necessary assurances take place every time for all customers, who in turn rely on Fisher Plastics to deliver on time and on budget.

Fisher Plastics provide both a flexible and rapid solution service to the industry and welcome the opportunity to see how they may be able to assist your company.

To find out more information, please visit their website, or get in touch.

## Buy With Confidence

All Metalliform products are manufactured to relevant British Standards for strength, stability and size and all products carry a minimum 2 year guarantee against defective workmanship. We subscribe to the BESA code of practice, to ensure buyers are offered the best in quality, safety and value for money

### Terms & Conditions

- Prices exclude VAT. Whilst we will maintain prices as long as we can, we reserve the right to change prices without notice.
- Orders above £100 in value are delivered free of charge. Below this value a delivery charge of £45 is applied. Extra for Scottish Highlands and Islands.
- Because goods are made to order, orders which are cancelled or goods which are ordered in error will be subject to a handling charge of up to 40% of the order value.
- Redelivery charge of 10% of the order value - where delivery is refused on arrival.
- Claims for faulty or damaged goods must be made within 3 working days of receipt.
- Orders made in error must be reported within 7 working days.
- For customer delayed orders a storage charge of 3% of the total order value per week will be applied.
- Payment terms are 30 days from date of invoice.

All specifications and prices are correct at time of going to press, Metalliform reserve the right to change specifications, prices and product range without prior notice. Whilst we try to show our products as accurately as possible, the photography and printing processes may affect the colours shown in this brochure.
