FUZE

STYLISH BENCH DESKING

Increasingly, businesses are moving away from dedicated single employee workspaces, towards more flexible working environments, and bench desk systems are the ideal solution for high density open plan workplaces. Fuze bench desks blend the best of European design with the highest workmanship standards to span a wide range of applications and support the most creative of workspaces.

Start simple then Fuze together!

Step 1

Select a starter unit which can be single desk or back-to-back desks. Choose your add-on unit in the same width and finish as the starter unit

Step 2

Remove one set of legs from the starter unit and add to the end of the add-on unit

Step 3

Connect the add-on unit to the starter unit. Simply repeat the process connect more add-on units to create runs of desks

Cable riser

Manages all the cables from the desk to the floor, with a front panel that can be removed quickly and easily to gain access to wires
