

The background of the advertisement is a high-angle, top-down photograph of an office space. It features a light grey, textured floor. In the lower right quadrant, there is a white office chair with a chrome frame and casters, positioned next to a large, round, white table. Another office chair is partially visible in the bottom right corner. The overall aesthetic is clean and modern.

PRIVA

WORKSTATIONS - ANGLES

The loss of private space and an inability to concentrate in an open plan work area has inspired the design of the Priva angles workstations which can be configured to specific needs and support individual work zones. The rich repertoire of geometric shapes can be positioned to suit defined spaces, allowing individuals to concentrate and complete focused tasks in a private space within the workplace environment.

Angled workstation pods available in 2 sizes with a study pod ideal for concentrated work

Design can be easily extended with numerous configurations to suit any office layout

Individual workspaces which can offer more enclosed privacy when arranged the right way

Angles workstations break the traditional "square-cube" stereotype and add a fresh look to the office
