## The Berlin Gardens difference.

### OUR PROCESS

Located in Ohio's Amish country, Berlin Gardens pairs advanced machinery with traditional methods and skills handed down through generations.

### SERVICE

Making the customer happy isn't just something else we do — it's the foundation upon which everything else is built.

### QUALITY

To us, quality means consistency. To the customer, this means holes line up for easy assembly, all components are hand-routed for exceptional smoothness and little details are not missed.

### LEAD TIME

Our lead time is typically shorter than most of our competitors. Even during peak season, we deliver in a timely manner.

### DESIGN

From hidden fasteners to sleeker-lined chairs, we're constantly improving our design.

### Premium Hardware

**Chrome-Plated Fasteners**

Unlike other poly furniture manufacturers, Berlin Gardens only uses chrome-plated stainless steel fasteners. These fasteners resist corrosion better than standard stainless steel — keeping your furniture free from unsightly rust stains.

**Aluminum Frames**

We use strong, welded aluminum frames to provide long-lasting support under tabletops and thicker furniture components. While our furniture is designed to keep most aluminum supports out of sight, those that are visible are powder coated to maintain an attractive, durable finish.

# The best furniture uses the best materials.

## Poly Lumber

At Berlin Gardens, all of our furniture is built using only the highest-grade poly lumber. Made from high-density polyethylene (HDPE) plastic, this durable material is the secret behind manufacturing low-maintenance furniture designed to last decades.

*We use two types of poly in our furniture — both produced by leaders in the industry.*

**PolyTuf™**

Manufactured by Tangent, PolyTuf™ recycled plastic lumber has become a mainstay of the furniture industry. Its high strength-to-weight ratio and versatility make it an excellent choice for most poly furniture.

**Seaboard®**

VYCOM® Seaboard® HDPE is a denser alternative to PolyTuf™ This premium marine-grade poly (MGP) can be fabricated to create more customized furniture designs with a thinner profile.

**See how our premium poly stacks up against wood patio furniture:**

	Wood	PolyTuf™	Seaboard®
Virtually maintenance-free ownership		●	●
Does not crack or split over time		●	●
UV-stabilized colors that resist fading		●	●
Withstands hot/cold climates and will not warp		●	●
Smooth, splinter-free surface		●	●
Not damaged by water or salt spray		●	●
Easy-to-clean surface that limits germs and bacterial growth		●	●
Dense and durable		●	●
Thinner profiles for sleeker furniture design			●
Dimensional lumber for classic design		●	

## Go Green with Berlin Gardens

Your Berlin Gardens poly furniture offers more than just a great place to relax with friends and family. It also protects the environment. That's because our poly lumber is manufactured using 95% recycled content. **Here's a look into the recycling process:**

1

Polyethylene plastic, commonly used in manufacturing mixed plastics, is gathered to be recycled.

2

Recycled plastic is ground, melted and cooled to produce purified plastic pellets, which are tested to maintain the highest quality control standards.

3

Pellets are melted, extruded and shaped into precision-cut poly lumber.

## Furniture Care and Maintenance

Poly furniture is made from high-density polyethylene (HDPE), a recyclable plastic that never needs to be painted or stained. It will not rot or splinter, and contains added UV protection to resist fading.

Thanks to its resilient properties, most furniture only needs to be cleaned a few times per year. Light colors, such as white, may require more frequent cleaning to keep it looking new. To maintain the beauty of your furniture:

- Do not place flower pots or any items on furniture that will leave stains.
- Do not place hot items directly onto furniture to avoid melting.
- Wash furniture regularly with Berlin Gardens cleaners or non-abrasive soap and water.
- For deep cleaning, spray thoroughly with a non-abrasive cleaner, then scrub the furniture with a soft bristle brush and rinse with warm water.
- If needed, spray the furniture with a non-abrasive cleaner and wash it using a high-pressure washer. Keep the tip of your pressure washer 16" to 20" away from your furniture to avoid damaging the material.

All of our fasteners are made from stainless steel — most of which are chrome-plated and highly corrosion-resistant. However, in extreme conditions such as coastal areas, some corrosion may still occur. To ensure the longevity of your furniture and fasteners, we recommend regularly rinsing it with fresh water.

If properly cared for, you'll be able to relax in your poly furniture for years to come!

## WARRANTY

### Outdoor Furniture Warranty

#### High Density Polyethylene (HDPE) PolyTuf® and Seaboard® Marine HDPE Outdoor Furniture

Twenty (20) Year Limited Warranty (Residential)  
Five (5) Year Limited Warranty (Commercial)

Berlin Gardens, LLC ("Berlin Gardens") warrants to the original purchaser that its PolyTuf® and Seaboard® outdoor furniture products will be free of original defects in workmanship and materials for a period of **twenty (20) years** of residential use or **five (5) years** of commercial use unless otherwise noted in the warranty. The warranty is effective starting on the date of purchase. At its option, Berlin Gardens will repair or replace this product without charge for materials and labor, providing our inspection indicates that an original defect exists. Should Berlin Gardens choose to replace the product, and the product is no longer available at the time the warranty service is required, a substitution of similar performance and equal or greater value will be made. Polyethylene is a synthetic product and may scratch, can fade when exposed to sunlight, or stain after prolonged contact with other substances, all of which are not covered under this warranty. Some expansion and contraction is to be expected during changes in humidity and temperature. The foregoing shall not be considered defects in materials or workmanship and are not covered under this warranty. Stainless steel fasteners are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners, damage caused by unauthorized service or repair, alteration of this product, **abuse or misuse**, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is customarily intended. This warranty also does not cover scratching or chipping of polyethylene; however, this warranty shall not limit any warranties made by the manufacturer for such items which may extend to you.

**Folding Chairs, Folding Accessories & Sling Chair Frames** are warranted to be free of original defects in workmanship and material for a period of **ten (10) years** of residential use or **two (2) years** of commercial use.

**Mayhew Stationary Adirondack** is warranted to be free of original defects in workmanship and material for a period of **twenty (20) years** of residential use or **two (2) years** of commercial use.

**Powder Coating** on powder coated components on Berlin Gardens Furniture is warranted for **two (2) years** against peeling, cracking or blistering. This does not include failure of the powder coat finish due to abrasion, including but not limited to abrasion caused by stacking/leaning/moving the furniture against other furniture/items or scraping against other surfaces.

**Swivels, Bradford Pergolas, Arbors and A-Frames** are warranted not to fail structurally for **five (5) years** of residential use or **two (2) years** of commercial use.

**Cushions** are warranted to be free of original defects in workmanship and material for a period of **one (1) year** of residential use and are not warranted for commercial use. Compression of cushions shall not be considered a defect in materials and workmanship and are not covered under this warranty.

**Sling Materials** used in Berlin Gardens Furniture are warranted to be free of original defects and workmanship for a period of **three (3) years** of residential use and **one (1) year** of commercial use.

**Umbrellas** are warranted for **one (1) year** on original workmanship of frame and cover and are not warranted for commercial use. Steel Umbrella Bases are warranted for **one (1) year** of residential use. Commercial use and rusting are not covered by this warranty.

**Berlin Gardens makes no warranties other than those which are specifically described herein. Berlin Gardens makes no implied warranty of merchantability or implied warranty of fitness for a particular purpose.** Some states do not allow limitations of implied warranty so this limitation may not apply to you. In that event, any such implied warranty is limited to that required by law. Berlin Gardens shall not be liable for incidental or consequential damages, including, but not limited to, lost profits or other economic or commercial losses. The sole remedy provided in this warranty is repair or replacement of this product. Any cost of shipping and handling shall be paid by you. ### Outdoor Fire Pit Warranty

Berlin Gardens, LLC ("Berlin Gardens") extends the following warranty to the original purchaser of its outdoor fire pit. This warranty applies only to the original owner of the Product and is non-transferable. The warranty is effective starting on the date of purchase.

**Polyethylene Fire Pits with a Polyethylene Top** are warranted to be free of original defects in workmanship and materials for a period of **ten (10) years** of residential use or **two (2) years** of commercial use. A glass wind guard must be installed on Fire Pits with Polyethylene Tops at all times to keep flames from touching the material and avoid melting. Lighting or burning a fire pit without the glass wind guard installed may result in melting of the polyethylene material and voids this warranty. Polyethylene is a synthetic product and may scratch or fade slightly when exposed to sunlight or stain after prolonged contact with other substances. Some expansion and contraction is to be expected due to extreme changes in humidity and temperature. This warranty also does not cover scratching or chipping of polyethylene, however, this warranty shall not limit any warranties made by the manufacturer for such items which may extend to you. **Stainless Steel Heat Barrier** used on Polyethylene Tops to distance flames and heat from the Polyethylene material are 304 grade stainless steel and may rust in normal outdoor conditions and/or coastal areas. Rusting that does not affect the structural integrity of the Stainless Steel Heat Barrier is not covered by this warranty. When not in use, covering a fire pit with a waterproof fire pit cover is recommended and may minimize but not eliminate the possibility of rust.

At its option, Berlin Gardens will repair or replace these products without charge for materials and labor, providing our inspection indicates that an original defect exists. Should Berlin Gardens choose to replace the product, and the product is no longer available at the time the warranty service is required, a substitution of similar performance and equal or greater value will be made. The foregoing shall not be considered defects in materials or workmanship and are not covered under this warranty. Stainless steel fasteners are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners, damage caused by unauthorized service or repair, alteration of this product, **abuse or misuse**, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is customarily intended.

This warranty is subject to the conditions, exclusions and limitations described in the "THE OUTDOOR GREATROOM COMPANY OUTDOOR PRODUCTS LIMITED WARRANTY" found on page 18 of the Crystal Fire instruction manual included with a fire pit burner. Warranty claims for Stainless Steel Burners may be made to Berlin Gardens and Authorized Berlin Gardens Dealers but will be processed by the Outdoor GreatRoom Company and be handled according to The Outdoor GreatRoom Company Warranty.

**Glass Wind Guards, Glass Fire Gems, Fire Pit Covers and other Fire Pit Accessories are not covered in any way by this warranty.**

**Berlin Gardens makes no warranties other than those which are specifically described herein.
