4-in-1 Fast Charging

With four versatile wireless and wired charging options, a handy kickstand and a mighty 10,000mAh battery, Lift is the ultimate portable power station.

10,000mAh Powers Your Adventures

With a powerful 10,000mAh battery that can fully recharge an iPhone 15 Pro Max twice, together with AirPods and an Apple Watch, Lift is the perfect companion for weekends off the grid, or replacing the tangle of cables and chargers in your suitcase.

Your Everyday Charger

While Lift is designed to be a portable charging station, it also makes a great everyday charger for your phone, Apple Watch and a USB-A accessory.

Universal Wireless Charging

With the included Magnetic Ring and alignment guide, you can use any Qi-wireless charging compatible phone with Lift's MagSafe-compatible charger, including iPhones 8-11, Samsung Galaxy S7 or newer and Google Pixel 3 or newer.
