25 años juntos

CRECIENDO EN CALIDAD, INNOVACIÓN Y DISEÑO

Gracias a todos
los que fieles a
nuestra empresa
hacen posible
que sigamos
trabajando día a
día.

Thanks to all who
faithful to our
company enable
us to continue
working every
day.

Merci à tous
ceux qui fidèle à
notre entreprise
nous permettent

Herrayma nace en 1990 como empresa especializada en la fabricación y comercialización de herrajes para obra, consiguiendo gracias a su política calidad - precio posicionarse en el mercado nacional e internacional, y crecer en productividad, innovación y desarrollo.

Siguiendo la línea de mejora que hemos mantenido desde el inicio, les presentamos una nueva colección de artículos de gama alta, con un abanico de posibilidades en estilos y acabados tanto en manillaría como complementos.

La gran confianza que han depositado nuestros clientes en la empresa a lo largo de estos 25 años es el mejor reconocimiento a la garantía de nuestra marca y la calidad de nuestros productos.

¿Nuestra mejor herramienta? Sin duda el trato humano y diferenciado a cada uno de nuestros clientes.

“El espíritu de equipo es lo que da a muchas empresas una ventaja sobre sus competidores”

Herrayma was established in 1990 as a company specialized in the manufacturing of door hardware for the construction industry. The company's quality policy - price not only has earned the firm a place at the top of the national and international market but has also achieved a continuous increase in productivity, innovation and development.

We are proud to introduce our new high-end collection of door handles and accessories. These are available in a wide range of designs and finishes. The collection is a result of our continued commitment to improvement and development.

The great trust and confidence that our customers have placed in us for 25 years is the best acknowledgement to the guarantee of our brand and the quality of our products.

Our best tool is? Undoubtedly our personalized customer service.

Team spirit is what gives many companies an advantage over their competitors”

Herrayma née en 1990 comme une société spécialisée dans la fabrication de poignés pour l'industrie de la construction.

Notre politique qualité - prix non seulement a gagné la société une place au sommet du marché national et international, mais a également obtenu une augmentation continue de la productivité, l'innovation et le développement.

Dans notre souci d'amélioration constante que nous avons maintenu depuis le début, nous vous présentons une nouvelle collection de produits haut de gamme. Notre collection offre un grand potentiel de possibilités, avec de multiples styles et finitions des poignées et des compléments.

La grande confiance que nos clients accordent à notre entreprise au cours de ces 25 dernières années est la meilleure reconnaissance à la garantie de notre marque et la qualité de nos produits.

Notre meilleur outil? Certainement, le rapport humain et service personnalisé au client

L'esprit d'équipe est ce qui donne nombreuses entreprises un avantage par rapport à leurs concurrentes

HERRAYMA, S.L. apuesta por el camino hacia la mejora continua, y para ello debe integrar el ciclo de Planificación, Ejecución, Verificación y Análisis en el Sistema de Gestión de la Calidad, con la finalidad de hacer las cosas bien y a la primera.

HERRAYMA, SL commitment to continuous improvement path and it must integrate the cycle of Planning, Implementation, Verification and Analysis System Quality Management, in order to do things right the first time.

HERRAYMA, S.L s'engage a l'amélioration continue et pour obtenir cette amélioration et doit intégrer les processus de Planification, Execution, Verification et Analyse, a fin de faire des choses correctement.
