

HQ -KZ 018

Use and Care Instructions

PLEASE READ USE AND CARE INSTRUCTIONS IN ITS ENTIRETY
PRIOR TO SETTING UP AND OPERATING YOUR RETROLIFE PRODUCT

NOTE: As with any electronics maintenance, always unplug the unit from the power outlet to prevent the risk of electrical shock.

The Retrolife HQ-KZ018 is a high-fidelity turntable with a built-in 50-watt speaker, bringing you excellent sound quality and a great music experience. In order to ensure that you can enjoy the wonderful music brought by this turntable for a long time, here are some suggested use and maintenance methods:

1.Placement:

Place the HQ-KZ018 vinyl record player on a solid surface to ensure its balance and stability. Avoid placing the turntable in direct sunlight, high temperature, humidity or dusty environment to protect its appearance and internal structure.

2.Using the stylus:

Please make sure the stylus is in good condition before use, avoid using old and worn stylus, so as not to cause damage to the record and affect the sound quality. Check the stylus regularly for wear and replace as necessary.

3.Record storage:

Before playing the record, please check whether the record is clean, if there is dust or dirt, use a professional record cleaning tool to gently clean it. When you're done playing, store your records in their sleeves or racks out of direct exposure to dust and sunlight.

4.Adjusting the speed:

HQ-KZ018 supports playback speeds of $33\frac{1}{3}$, and 45 revolutions per minute (rpm). When playing records with different RPM, make sure to adjust the RPM switch to match the record's requirements for the best sound quality.

5.Cleaning and Maintenance:

Regularly clean the exterior surface of the vinyl record player and the acrylic cover, wipe with a soft, clean cloth, and avoid using cleaners containing alcohol or corrosive substances.

6.Volume control:

HQ-KZ018 is equipped with a built-in 50-watt audio system. Please adjust the volume moderately when using it to avoid excessively high volume for a long time to protect the audio equipment and your hearing.

7.Use Bluetooth function:

HQ-KZ018 is equipped with Bluetooth function, which can be connected to smart devices to play digital music. When using the Bluetooth function, please ensure that the connection with the device is stable, and avoid signal instability caused by excessive distance or obstacles.

8.Avoid Overtime Use:

Although the HQ-KZ018 is designed to be durable, in order to prolong its life, please avoid overtime use of the turntable and stereo. After each use, please turn off and unplug the power plug.

9.Maintenance of the power cord:

Regularly check whether the connection of the power cord is firm, and avoid the power cord from being stressed or twisted to ensure safe use.

By following these usage and maintenance recommendations, you will be able to enjoy the high-fidelity sound quality and excellent music experience brought by the Retrolife HQ-KZ018 for a long time. Make this high-fidelity turntable with built-in 50-watt speakers an excellent companion in your music life.
