

## Apple cider vinegar

An antibacterial, antifungal and detoxifying tonic to improve immune function and wellbeing.

### SUITABLE FOR

Cats and dogs of all ages and breeds. For cats or dogs with kidney disease please consult your holistic veterinarian before use.

### RECOMMENDED FOR

Skin, joint and digestion issues. Rich in vitamins and minerals, apple cider vinegar helps the body assimilate nutrients more effectively and aids digestion by improving immune function and wellbeing.

### DIRECTIONS

Shake well before use.

### FOR DOGS

Add ¼ to ½ teaspoon of apple cider vinegar daily to meals, increase dosage slowly up to one teaspoon. Add one or two tablespoons of apple cider vinegar to water bowl.

### FOR CATS

For cats or dogs with kidney disease please consult your holistic veterinarian before use.

**THE PET GROCER**

### INGREDIENTS

## Colloidal silver

A natural immune booster with antibiotic, antifungal and antiviral properties.

### SUITABLE FOR

Cats and dogs, all ages and breeds.

### RECOMMENDED FOR

Colloidal silver can be used for many health conditions. It's non-toxic and beneficial for all ages and breeds. Use topically to soothe wounds, tissue damage, flea bites, eye and ear infections.

### DIRECTIONS

For topical use, can be applied directly with a cotton pad to wound or sore to reduce infection. Colloidal silver is non stinging. For internal dosage, add 5ml to meals or drinking water until infection clears.

### INGREDIENTS

99.99% fine silver suspended in purified deionized spring water. Free from chemical stabilisers and artificial additives.

### FOR ANIMAL USE ONLY

#### VOLUME

200ml

#### ADDITIONAL INFORMATION

Intended for supplemental feeding. This product is not intended to diagnose, treat, cure or prevent any disease. If you have a health issue with your pet, we recommend seeking veterinary advice before deciding on a course of action. If for any reason irritation occurs discontinue use immediately.

## Goat milk powder

With a nutritional profile similar to that of their mother's milk, goat milk is easily digestible and naturally abundant in vitamins and minerals essential to healthy growth and development.

### SUITABLE FOR

Cats and dogs of all life stages, especially puppies, kittens, seniors and those in poor health.

### RECOMMENDED FOR

Goat milk supports the immune system and aids digestion during times of stress or injury, possibly reducing recovery times.

### DIRECTIONS

1 tablespoon per 150ml of filtered water. Add powder with enough warm water to form a paste in a clean bowl. Stir in remaining water.

### INGREDIENTS

100% natural goat milk powder.

### FOR ANIMAL USE ONLY

#### VOLUME

250g

#### ADDITIONAL INFORMATION

Intended for supplemental feeding.

This product is not intended to diagnose, treat, cure or prevent any disease. If you have a health issue with your pet, we recommend seeking veterinary advice before deciding on a course of action. If for any reason irritation occurs discontinue use immediately.

#### STORAGE

Store in a cool dark place away from direct sunlight. Please recycle packaging after use.

## Slippery elm bark powder

A highly nutritional supplement with healing and strengthening properties.

### SUITABLE FOR

Cats and dogs of all ages and breeds.

### RECOMMENDED FOR

Promotes healthy gut flora, soothes inflammation in the digestive tract, helps to reduce diarrhoea, IBS, chronic inflammation and constipation.

### DIRECTIONS

Mix 1-2 teaspoons of powder in 250ml of warm filtered water. Apply to meal directly. As a liquid meal, gently syringe small amounts at a time into the side of the mouth every 2-4 hours. Reduce the frequency when condition improves.

### INGREDIENTS

100% natural powder from the inner bark of the slippery elm tree, native to America.

### FOR ANIMAL USE ONLY

#### VOLUME

30g

#### ADDITIONAL INFORMATION

Intended for supplemental feeding. This product is not intended to diagnose, treat, cure or prevent any disease. If you have a health issue with your pet, we recommend seeking veterinary advice before deciding on a course of action. If for any reason irritation occurs discontinue use immediately.

#### STORAGE

Store in a cool dark place away from direct sunlight. Please recycle packaging after use.
