

Goat milk powder

With a nutritional profile similar to that of their mother's milk, goat milk is easily digestible and naturally abundant in vitamins and minerals essential to healthy growth and development.

SUITABLE FOR

Cats and dogs of all life stages, especially puppies, kittens, seniors and those in poor health.

RECOMMENDED FOR

Goat milk supports the immune system and aids digestion during times of stress or injury, possibly reducing recovery times.

DIRECTIONS

1 tablespoon per 150ml of filtered water. Add powder with enough warm water to form a paste in a clean bowl. Stir in remaining water.

INGREDIENTS

100% natural goat milk powder.

FOR ANIMAL USE ONLY

VOLUME

250g

ADDITIONAL INFORMATION

Intended for supplemental feeding. This product is not intended to diagnose, treat, cure or prevent any disease. If you have a health issue with your pet, we recommend seeking veterinary advice before deciding on a course of action. If for any reason irritation occurs discontinue use immediately.

STORAGE

Store in a cool dark place away from direct sunlight. Please recycle packaging after use.
