

## Slippery elm bark powder

A highly nutritional supplement with healing and strengthening properties.

### SUITABLE FOR

Cats and dogs of all ages and breeds.

### RECOMMENDED FOR

Promotes healthy gut flora, soothes inflammation in the digestive tract, helps to reduce diarrhoea, IBS, chronic inflammation and constipation.

### DIRECTIONS

Mix 1-2 teaspoons of powder in 250ml of warm filtered water. Apply to meal directly. As a liquid meal, gently syringe small amounts at a time into the side of the mouth every 2-4 hours. Reduce the frequency when condition improves.

### INGREDIENTS

100% natural powder from the inner bark of the slippery elm tree, native to America.

### FOR ANIMAL USE ONLY

#### VOLUME

30g

#### ADDITIONAL INFORMATION

Intended for supplemental feeding. This product is not intended to diagnose, treat, cure or prevent any disease. If you have a health issue with your pet, we recommend seeking veterinary advice before deciding on a course of action. If for any reason irritation occurs discontinue use immediately.

#### STORAGE

Store in a cool dark place away from direct sunlight. Please recycle packaging after use.
