

Quantum VII BIA

SAFE, REPEATABLE, ACCURATE

The Quantum VII averaging stabilizes the effects of motion, respiration and circulation common in real time measurements.

Features:

Dual mode operation: Classical BIA or Scheduled BIA measurements

Applications include: assessing human body composition, motion, animals, plants and foods

Averages and saves all BIA measurements with time stamp for spread sheet analysis

Saved Classic and Scheduled BIA measurements are available from a built-in website using WIFI

Comes complete with everything you need to get started to do up to 100 tests
