NIKE  
VISION

# NIKE VISION

## SUPERIOR OPTICS

In sport, how well you see makes all the difference in how fast and accurately you can respond. Nike performance eyewear features Max Optics, delivering optimum clarity from both the center of the lens, when you're looking straight ahead, and from the periphery – so vision is accurate and clear from every angle.

**NIKE SHOW X3 ELITE TEAM  
DJ2605 \$199.00**

**THE PINNACLE OF COMFORT AND CLARITY**

Designed using pro-athlete insights, the Nike Show X3 Elite sunglasses offer optimum eyewear performance with a one-piece lens for uninterrupted line of sight, anti-fogging ventilation, and lightweight, ergonomic comfort.

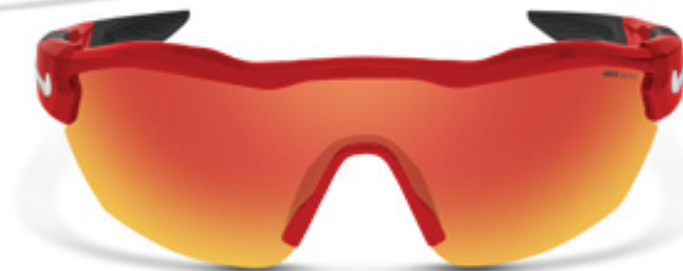

**BENEFITS**

- Pro athlete inspired
- Nike Elite one-piece lens for superior coverage and clarity
- MAX Optics provide precise vision from all angles
- Injected frame material is derived from at least 40% castor bean oil
- Contoured lens provides deeper coverage
- Anti-fog ventilation holes in the frame circulate air flow
- Adjustable temple arms with rubber sleeves for enhanced grip and optimal fit
- Floating nose pad helps optimize airflow and absorb impact

**NIKE WINDSHIELD ELITE TEAM  
CW1167 \$169.00**

**SLEEK COVERAGE**

Streamlined and ultra-lightweight, the Nike Windshield Elite sunglasses combine innovative ventilation with aerodynamic angles. A wraparound, one-piece shield lens provides a clear view and protective coverage when you're moving.

**BENEFITS**

- Nike Elite one-piece lens for superior coverage and clarity
- MAX Optics provide precise vision from all angles
- Innovative lens-frame design adds ventilation both above the nose bridge and on the top of the frame to help reduce fogging
- Floating nose pad helps optimize airflow and absorb impact
- Sport wrap, 8-base frame offers maximum coverage
- Cushioned rubber temple tips add grip and provide long-wearing comfort
- Dual-injected temples with aerodynamic flow lines keep the frame lightweight
- Durable, high-tension hinges
