Non-GMO STATEMENT

All Lakewood Organic Products are non-GMO Certified by Quality Certification Services (QCS) under the USDA-NOP Organic Certification Program. The USDA National Organic Program (NOP) regulations prohibit the use of GMO's as "excluded methods" under 7 CFR § 205.105 in Organic Agriculture.

All Lakewood Premium Products do not contain GMOs as indicated by the U.S. FDA Guidance for Industry: Voluntary Labeling Indicating Whether Foods Have or Have Not Been Derived from Genetically Engineered Plants. Furthermore, all Lakewood Premium products are non-GMO verified by the Non-GMO Verified Project..

Sincerely,

A handwritten signature in black ink that reads "Levy". The signature is written in a cursive style and is positioned above a horizontal line.

Esther Levy
