...bringing a little bit of HAPPY into the world, one piece at a time.

WHOLESALE CATALOG 2024

I'm Kim Dettmer,
an artist, writer, and serial optimist.

Amy Boyle Photography

I believe

- ...happiness is both a choice and a practice.
- ...creativity can transform lives.
- ...smiles are contagious.
- ...in kindness.
- ...I am right where I am supposed to be – and so are you.
- ...in Brene Brown and Dr. Seuss.
- ...that everyone has a story to tell.

I am excited to share with you my products featuring my original paper collage artwork. As my tagline says, my goal is to bring “a little bit of HAPPY into the world” and it is my hope that with these cards and gifts, days will be brightened, people will get inspired, and emotional connections will be made.

Thank you for being a part of this journey with me.
