Inviting Family and Friends

1. Select the "Contacts" tile from your home screen.

2. Press **+** and follow the instructions on your TV.

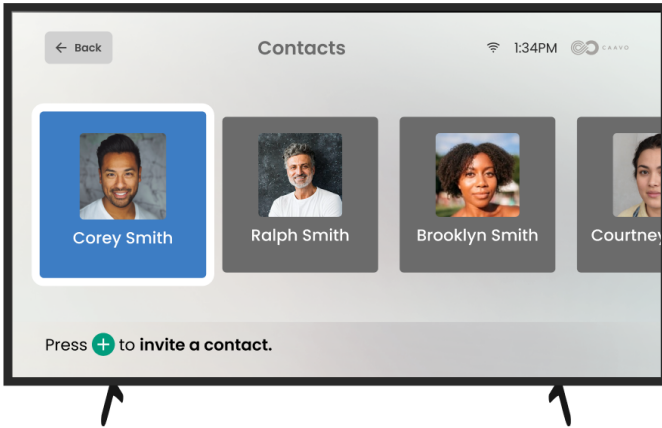

Your Jubilee TV Contacts can also invite family and friends to connect with you.

You can control who has permission to send invitations on the “Manage Permissions” screen.

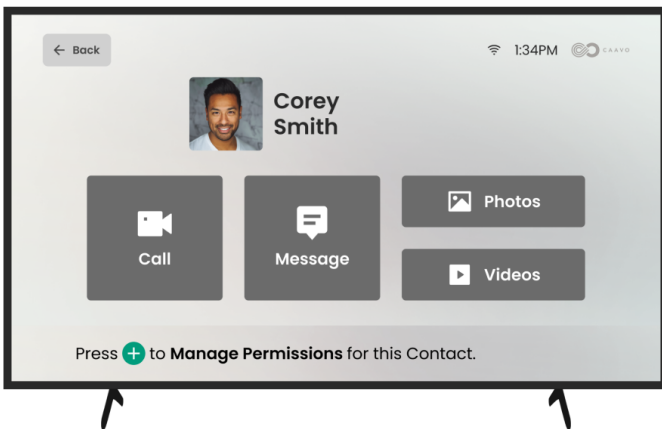

More on managing permissions on page 8.

Managing Permissions

1. Select a family member or friend from the “Contacts” screen.

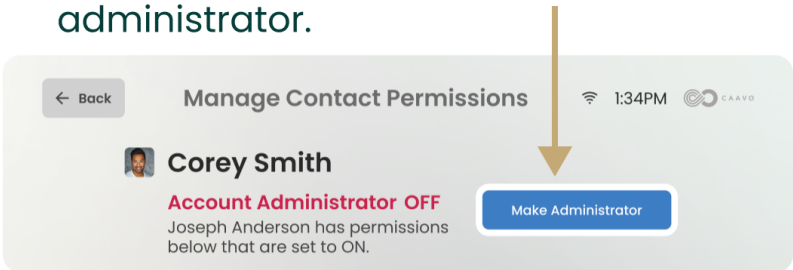

2. From the “Contact Details” screen, press **+** to manage their permissions.

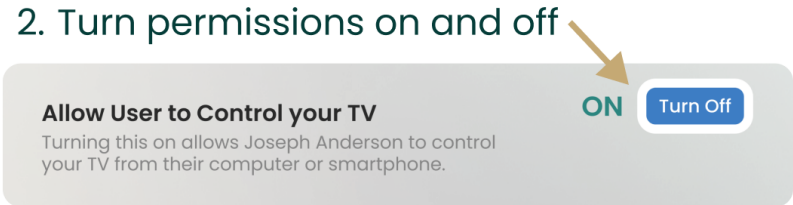

From the “Manage Contact Permissions” screen, you can:

1. Assign a contact as an account administrator.

This is useful if you want a family member to help manage your Jubilee TV.

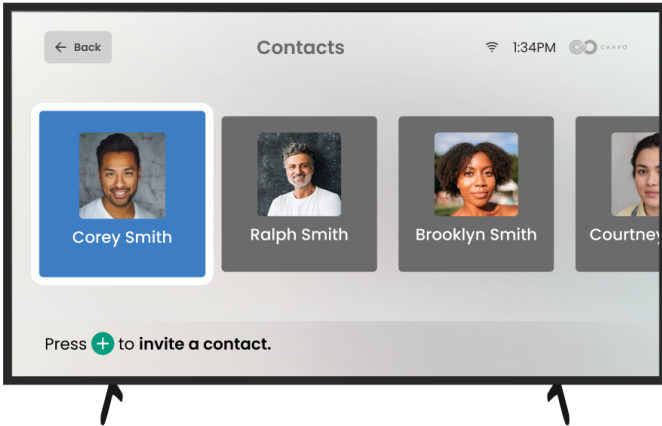

2. Turn permissions on and off

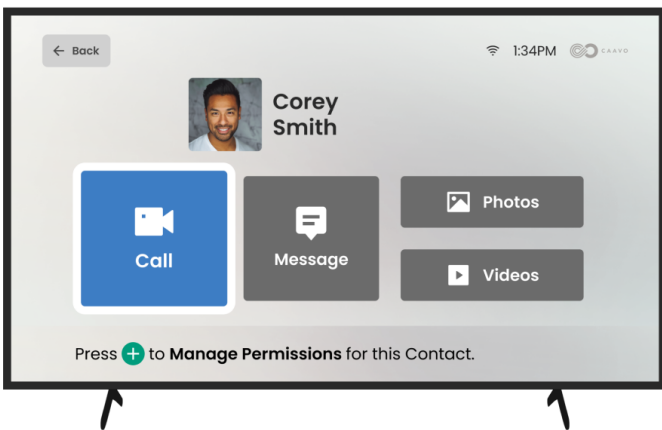

Please reference the “Manage Contact Permissions” screen on the TV for a list of available permissions and a short description of each.

Making a Video Call

1. Open the “Contacts” screen and choose who you want to call.

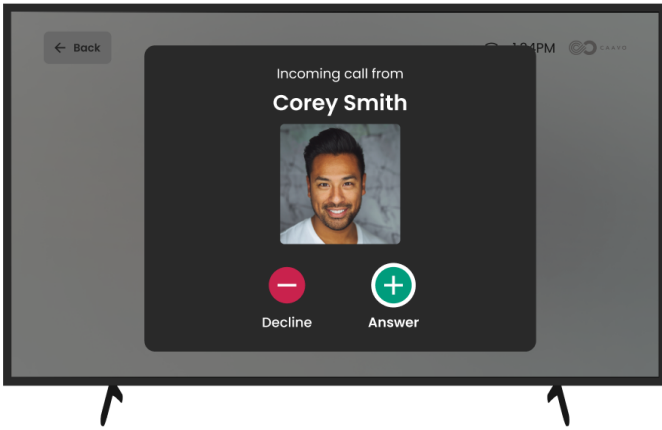

2. Select the “Call” tile and the video call will start ringing.

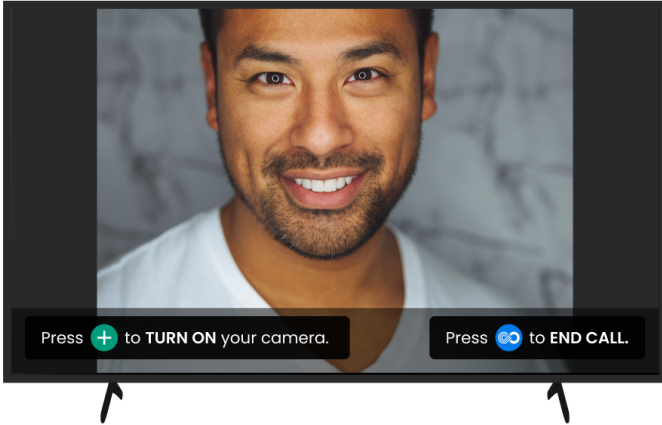

Receiving a Video Call

1. When someone is calling, you will hear and see an incoming call message.

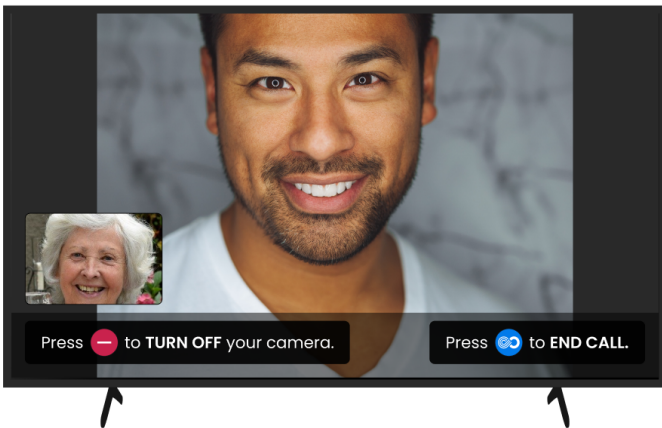

Receiving a Video Call

2. Once the audio for your call connects, press  to turn on your video.

3. When finished, press  to end the call.
