

Assembly Instruction

Welcome to Vertu Living

Welcome to Vertu Living. We design thoughtfully crafted office chairs that blend Italian-inspired design with ergonomic innovation. This guide will help you assemble your chair easily, so you can start enjoying the full Vertu Living experience right away.

Our Design Philosophy

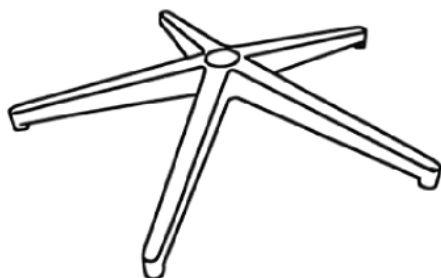

Vertu Living chairs are designed for comfort, focus, and effortless work. Crafted with premium materials and engineered for performance, our cold-molded foam and Donati® motion systems deliver lasting support through long workdays. Built to endure, BIFMA-compliant, and bio-based, Vertu chairs blend sustainability, comfort, and timeless design.

PART

Chair Body
