Responsibilities:

- **Production & Assembly**
 - Supports the production and fulfillment team by assembling products and packaging products
 - Participates in product inventory and quality control to assure the highest quality product is produced
 - Operates some light machinery as a part of the product production
- **Fulfillment**
 - Assists with product packaging and product finishing
 - Prepare orders for shipping

Required qualifications:

- Some warehouse and production experience is not required but a plus
- Resourceful working style as well as extremely organized and detail-oriented
- Responsible and a team player
- Legally eligible to work in the U.S.
- Able to lift 40+ pounds

Appointed, LLC is an American-made brand of thoughtfully designed desktop products that make utility look luxurious. Following an exhaustive yet unsuccessful search to find well made and refined desktop products that are manufactured in the U.S., we decided to create our own. Practical, beautiful and handcrafted of the finest materials, Appointed goods are designed to elevate the work experience.

Appointed is a small but growing team and this individual has the opportunity to make a large impact on a growing company. This position reports to our Sr. Manager, Production and is an excellent opportunity for growth. We are ideally seeking a full-time individual but can be flexible for part-time. Hours are Monday - Friday. This is an hourly position with some benefits.
