“Our dream took form in our own factory – a place where master craftsmen forge grills that surpass industry standards.”

CREATION

At the heart of our creation is the use of the finest and thickest Corten steel, selected for its exceptional quality, resilience, and timeless aesthetic.

Each element is carefully shaped and assembled by our dedicated team, combining traditional techniques with modern precision to bring you a truly unique masterpiece of design and engineering.

In a world dominated by mass production, we take pride in the human touch that defines our process.

Each product undergoes a journey of transformation, guided by the hands of passionate craftsmen who pour their expertise into every weld, curve, and finish.

This hands-on approach ensures that every ZELUX not only meets but exceeds the highest standards of durability and longevity.

ZELUX
PREMIUM GRILL EXPERIENCE

DURABILITY MEETS ELEGANCE

The ZELUX grill plate is made from high-quality *food-grade stainless steel*, a material renowned for its strength, corrosion resistance, and aesthetic appeal.

It's not only a culinary workhorse, the use of food-grade stainless steel ensures that your food is safe and free from any harmful contaminants.

Innovative airflow system improves wood combustion, reduces smoke and heats the grill plate faster.

ZELUX Grill

ZELUX is a masterpiece of design and engineering. It's constructed using only the finest and thickest Corten steel, ensuring unmatched durability and longevity.

ZELUX Grill Cover

Manufactured from solid stainless steel, the ZELUX Grill Cover covers the ZELUX Grill Plate when not in use.

ZELUX Fire Ring

The ZELUX Fire Ring, made from solid stainless steel, is a useful accessory for the grill as it prevents your food from rolling into the fire. Yet, its shape allows fat and juices to drain away.

The Fire Ring is designed to place skewers above direct fire.

ZELUX Grill Grate

With the ZELUX Grill Grate you get maximum roasting flavors on the meat. Thanks to its special shape, it fits both on the ZELUX Fire Ring and directly on the ZELUX Fire Plate.
