Edge  Middle  Overall

The blade gets caught when opening and closing the scissors. The part I feel the blade gets caught is in the,

Edge  Middle  Overall

I dropped my scissors. What part of the blade dropped was the,

Tip  Middle  *Whole*

Please ensure you pack your scissors in a cardboard box with padding for protection. Place a small rubber band on the tips of the scissors for extra protection. Do not post in a bag as this could permanently damage your scissors in transit. Make sure all your details are correct, name, email and most importantly the address we will be returning your scissors to.
