TWIN-CAL & TESA-CAL

HEAVY DUTY INSTRUMENTS

In harsh environments such as workshops, the instruments are often subjected to all kinds of substances such as oil and water. This is why our digital instruments incorporate well-proven materials and offer a **high degree of protection**.

They guarantee **longevity, robustness** and high-performance measurements on instruments that are often used on a daily and continuous basis.

	Part number	Measuring range mm in	Degree of protection	Data transmission cable & wireless	Thumb roller	Depth rod
 <p>NEW</p> <p><i>TESA-Cal</i></p>	00530140	150 6				square
	00530141	150 6			round	
	00530142	200 8			✓	square
	00530143	300 12			✓	square
 <p><i>TWIN-Cal</i></p>	00530094	150 6			✓	round
	00530097	150 6		square		
	00530095	200 8		✓	square	
	00530096	300 12		✓	square	
 <p><i>TWIN-Cal</i></p>	00530319	150 6				square
	00530320	150 6			round	
	00530321	150 6			✓	round
	00530322	200 8			✓	square
	00530323	300 12			✓	square

With the **free DATA-VIEWER** data collection software you can automatically complete your measuring report.

TESA instrument drivers included

Software requirements Windows 7 / 8.1 / 10, 32 & 64-bit processor

Hardware minimal requirements: Intel i5 or equivalent, 4 GB RAM, 100 MB HDD
